U ♦ M ♦ R

We all know the classic routine: lecture-home-work-study-test, lecture-homework-study-test... It's something most of us will do for 4+ years on our road to sure fame and fortune. By the time we're **Seniors**, it's something we can do in our sleep and some of us do. Occasionally, there's a weekend party or road trip to St. Louis to break up the monotony.

There are some things every student sees-**ME 104**, the **Puck**, the **Registrar's office**, and **increasing tuition bills**. But, then again, there are many things that not everyone who attends UMR sees. The blue glow of the **nuclear reactor**, the often felt and heard **explosions** at the Explosives Research Center, the inside of **Dr. Park's office**, are a few examples.

This year the *Rollamo* staff and I challenged ourselves to show you some of the lighter, happier, and perhaps, more interesting moments of life at UMRolla. We're going to explore **the other side** of classwork, tests, and finals and try to capture the more lively and exotic events that occur in the city we live in. A city called Rolla.

The UMR Routine

❖START❖

- 8:00 am** Wake up for 8:30 class after hitting snooze 7 times.
- 8:01 am** Shower, dress, grab a Fountain Dew, go.
- 8:33 am** Race into class just as the professor is erasing the first board of notes off the chalkboard.
- 8:36 am** Open notebook after deciding that today's lecture is worth the effort of taking notes. Pop the top on the Fountain Dew. (Feel free to insert your caffeinated beverage of choice in place of Fountain Dew.)
- 8:44 am** Your eyes are beginning to feel heavy. Take a swig of Fountain Dew.
- 8:48 am** 1st head bob. Instantly, you jerk awake and scribble a few lines of notes. Take a swig of Fountain Dew.
- 8:59 am** You check your watch and roll your eyes realizing that you must endure at least 21 minutes of torture.
- 9:02 am** 2nd head bob. Scribble a few more notes. Gulp Fountain Dew.
- 9:07 am** 3rd head bob. Put down your pencil, stretch, finish Fountain Dew.
- 9:10 am** 4th head bob. Down and out for the count. NAP ON!
- 9:21 am** You awake to the sound of books slamming shut, zippers zipping, and the professor announcing a quiz over the material at the end of the lecture.
- 9:30-12:20** You make it through the rest of your classes without sleeping or being totally awake.
- 1:30-4:20** The traditional marathon lab with the lab T.A. who obviously reads the lab manual as often as you do.
- 5:30 pm** Dinner (i.e. something nuked, burned, or fried.)

- 6:00 pm** Put plate and dishes with their companions in the sink. Check MTV or Nightly News. VEG OUT!
- 6:30 pm** Society meeting, lab group meeting, or date with significant other.
- 8:00 pm** Say hello to Mr. Homework.
- 9:00 pm** Potty break. Grab caffeinated beverage.
- 9:20 pm** Hit the books. Tell the dude next door to turn down stereo or put on better music.
- 9:40 pm** Major munchie/chocolate attack.
- 10:00 pm** Return to homework. Attempt first problem out of 42 assigned.
- 10:40 pm** Out of frustration, call friend for help.
- 11:15 pm** Get off phone after yaking about everything but homework.
- 11:20 pm** Continue to attempt homework.
- 11:30 pm** Check TV.
- 12:00 am** Give up on homework and TV. Decide to find a file or friend to copy from tomorrow.
- 12:10 am** Find a party.
- 12:15 am** Engage in party activities. (i.e. lampshade on head, marker on face, etc.)
- 2:30 am** Leave party.
- 3:00 am** Get home. Wake up roommate after stubbing toe on a chair.
- 3:15 am** Go to bed. Set alarm for 7:00 am.

❖END❖

[Disclaimer: The author is not insinuating that classes at UMR are boring or that professors are nogs. This cycle may not apply to everyone but after 3+ years at UMR, it is definitely a noticeable pattern. The author makes no implied warranties or guarantees--what-you-see-is-what-you-get. Expect nothing more, get nothing less.]

The Other Side of UMR

Once in a while, life at UMR is not so routine. Halloween parties thrown by GDI provide a necessary release. An occasional snowfall can cause the artist in engineer's clothing to come out. A Human fly trap can also provide a unique way to release a little tension. If you look hard enough, you can always find something a little different to do.

The Out-Side

With all the things that happen everyday in our life, it's easy to loose track of what is happening on the world scene. **Top:** Heads of state from the United States, Mexico, and Canada signing the North American Free Trade Agreement. **Right:** Haiti refugees came to America in searching for a dream, but were instead sent back to the nightmare in their own country. **Bottom:** Shannon Miller won enchanted the nation and won several medal in gymnastics. **Top facing page:** Bill Clinton stunned the world when he played his saxophone on the Arsenio Hall Show. **Bottom facing page:** Gail Devers racing to win the third heat of the second round of 100 meter hurdles.

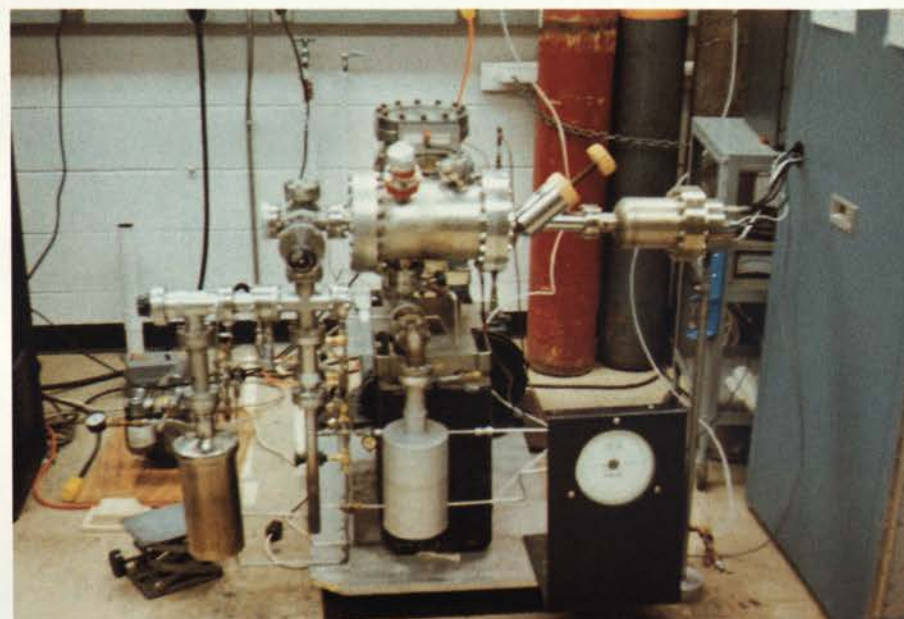

Photos courtesy of AP/Wide World Photos

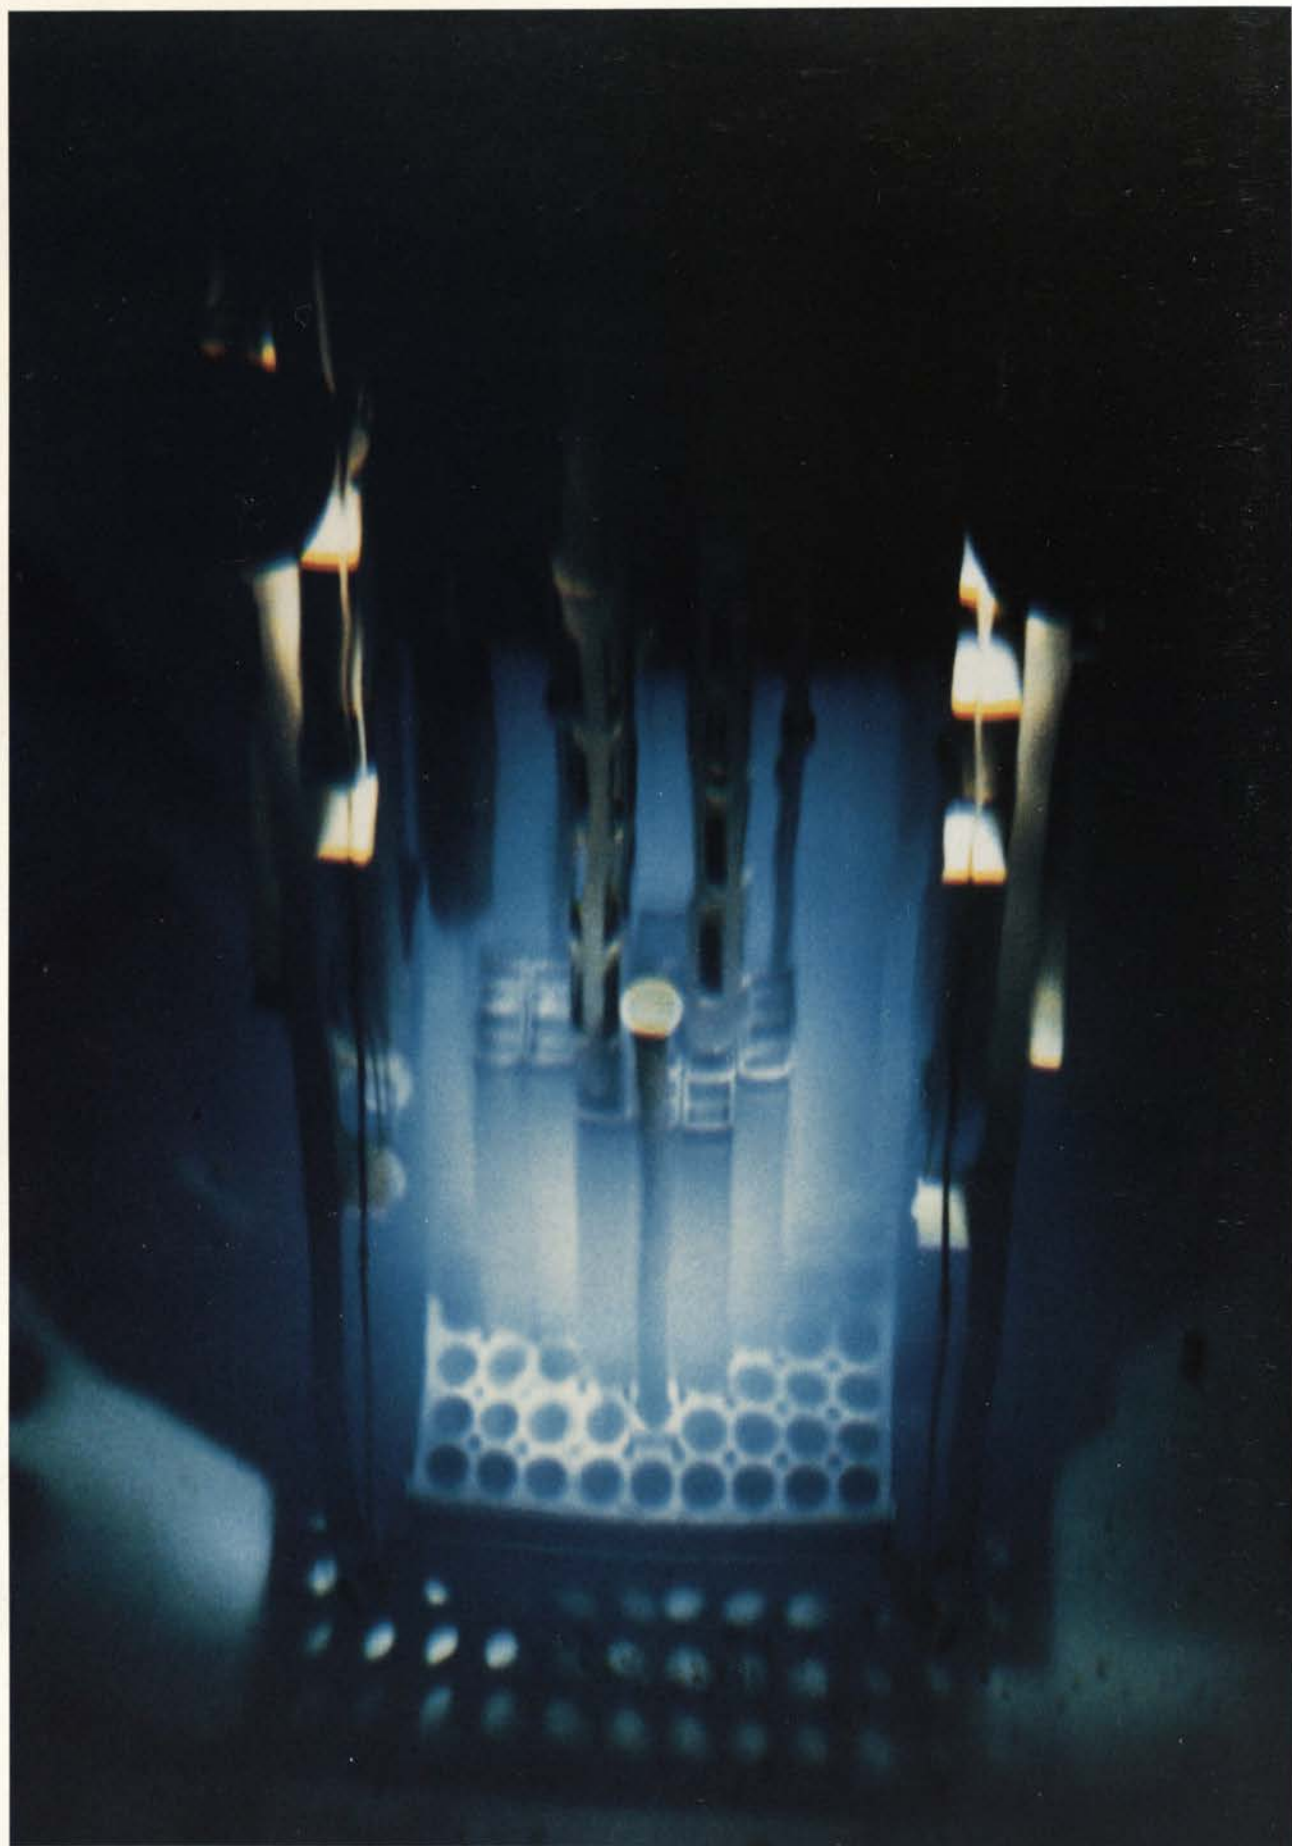

The Research Side

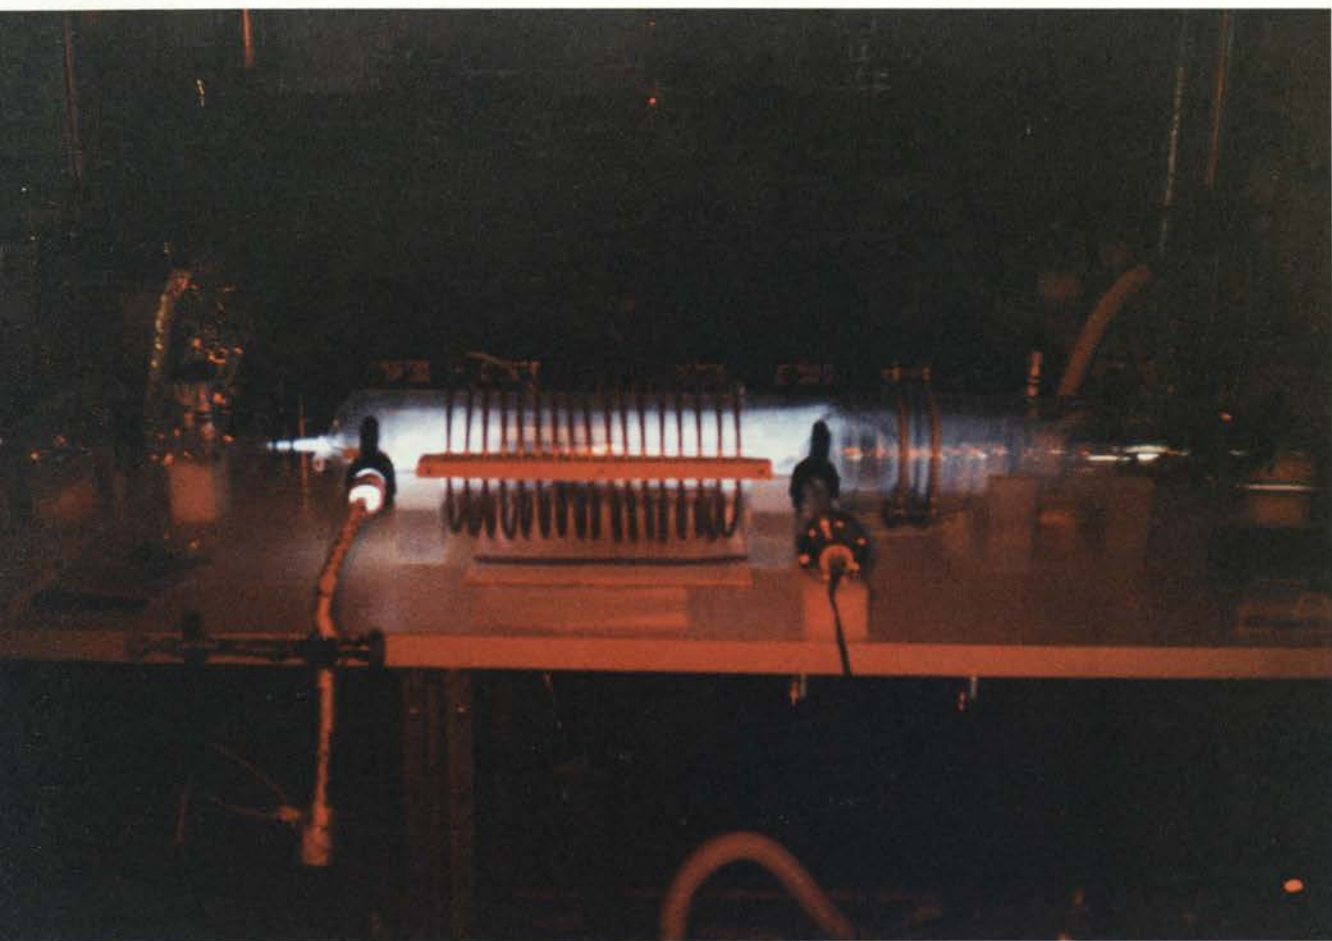

UMR is involved in many interesting research projects. **Right:** Using UMR's patented waterjet technology, rock was cut to create a replica of Stonehenge. **Middle right:** The completed Stonehenge is considered one of the world's greatest engineering achievements. **Bottom right:** The modulated beam mass spectrometer at the MRC is used to determine the characteristics of gases trapped in metals. **Top facing page:** This same waterjet technology was used to carve out a theatre underneath St. Louis' most striking monument, the Gateway Arch. **Bottom facing:** A blasting cap exploding during an experiment at the Rock Mechanics and Explosives Testing Center. (Waterjet photos courtesy of Dr. David Summers. Blasting cap photo courtesy of Dr. Paul Worsey.)

There are some places on campus where you can momentarily forget the hustle and bustle of classes and tests. **Above:** The blue glow of UMR's nuclear reactor is one the more beautiful sites on campus. **Above right:** Light blue cold plasma is used in thin film studies at the MRC. **Right:** With a warm smile Chancellor Park welcomes visitors to his office.

SMS Invitational	7/10
Miner Invitational	8/13
MIAA Championships	7/8
Great Lakes Regional	19/20

Harriers Gain Experience

The men's cross country team did not win any meets this fall, but did gain some valuable experience for next year. With the loss of last years top runners, Steve Hostetter and Ron Kochanowicz, the Miners hoped to build a stronger team for next season. The majority of the team was comprised of sophomores and freshmen with the exception of Kerry Kimmel and Dirk Frisbee. James Stanfield and Damon Stewart returned as the most experienced of the second-year performers.

Before the season began, Head Coach Sarah Preston was expecting big things from newcomer Bob Etien. Bob made an impressive showing in his first collegiate meet by finishing the six-kilometer race in a time of 21 minutes, 11 seconds. Following the meet, Preston was quoted as saying, "Bob lived up to his expectations."

Without a doubt the men's cross country most valuable player this year was freshman Bob Etien, the top runner in all but one meet. Bob also had a good showing at the MIAA Championships with a 24th place finish.

Above: Just out from the starting line, Kerry Kimmel vies for position at the Miner Invitational.

Above: As three other runners try to keep pace, James Stanfield turns on the after-burners.

Left: Arms pumping, Damon Stewart struggles to obtain a second wind.

Far Left: Headed for home, Dirk Frisbee grins in anticipation as teammate James Stanfield grimaces and tries to catch up.

1992 UMR Women's Cross Country Team: Becky Chrisfield, Gina Turner, Carla Wiebe, Becky Wilson, Head Coach Sarah Preston.

UMC Invitational	Incomplete
SMS Invitational	Incomplete
Miner Invitational	Incomplete
MIAA Championships	Incomplete
Great Lakes Regional	Incomplete

Trying Season for Ladies' Squad

Despite a lack of runners, the women's cross country team still represented UMR in various races this year. The Lady Miners did not field a complete team for all but two meets this year. For this reason, they didn't receive team scores or places at many meets, but competed for individual places and gained experience.

For the second consecutive season, Becky Wilson was the most valuable player for the women's cross country team. Becky was top runner at every meet and finished 13th at the MIAA Championships. The highlight of her season was at the Miner Invitational where she finished in a time of 19 minutes, 1 second, which was good for third place all-time at UMR for the five-kilometer race.

Hopefully, the team's dedication will be rewarded next year with high scores and places. Most of the runners will be back next year, and with the addition of a few more, a full team will be in order.

Above: In a focused state, Gina Turner tries to maintain a rigorous pace.

Above: With company knocking on her back door, Becky Chrisfield prepares to try to ditch her trailer.

Right: Carla Wiebe looking solid in the Miner Invitational in which she eventually finished second among the UMR runners with a time of 21:30.

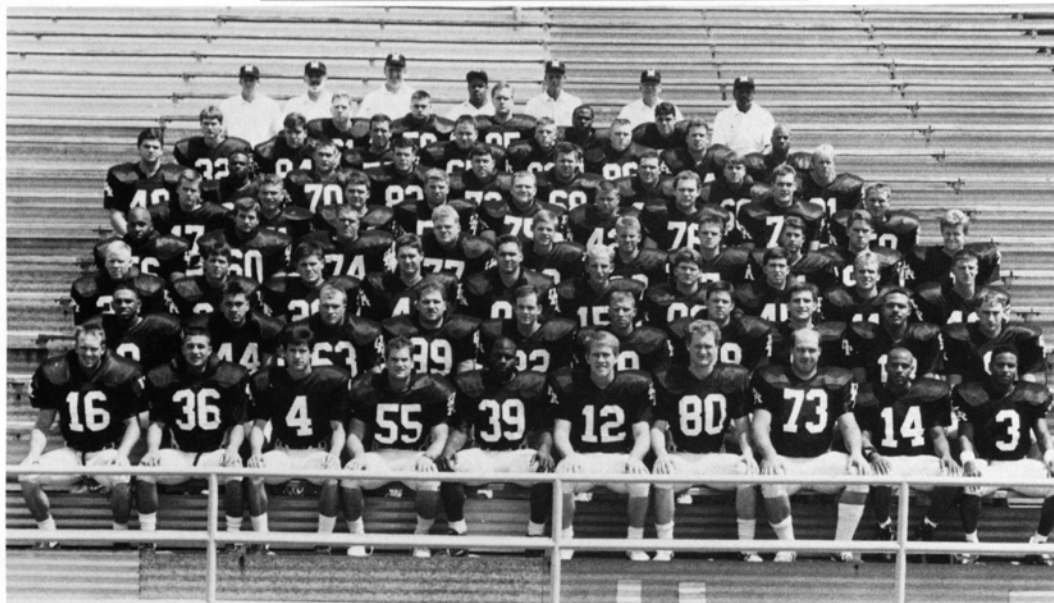

Above: Carla Wiebe pushes herself towards the finish line.

Left: Gina Turner, one of UMR's top runners, shows the concentration and effort necessary to finish well.

Row #9: Doug Grooms, D.C. Look, Les Boyum, Brad Moppins, Jim Anderson, Charlie Finley, Travis Boulware.

Victories Elude Miners

The UMR football team entered the 1992 season looking to keep the momentum of last years convincing turnaround under the direction of new Head Coach Jim Anderson. It didn't take long to see the Miners in true form as they got even with Iowa Wesleyan in the season opener after a controversial call in their game last year. The team pulled off one of the top comebacks in the history of the program as they rallied from a 19-point deficit to upend Iowa Wesleyan 27-26.

However, it wasn't long before injuries had plagued the team. Due to Mike Wise's injuries, Joe Knapp had to assume the duties of quarterback and did a respectable job. The untimely injuries in addition to several errors led the Miners to a six-game losing streak eventually snapped with a win over Washburn.

Despite the struggle, many players had solid seasons. Wide receiver Chris Alverson finished the season with 50 receptions, good for third in the MIAA, for 729 yards and six touchdowns. Alverson closed his career finishing third on the UMR all-time receiving list with 122 receptions for 1632 yards. Five team members were named to the MIAA all-conference team, led by second-teamers Chris Alverson and Pat Risner. Jerry Wallock, Brett Goodman and Matt Henry were third-team all-conference selections. In addition, Don Huff and Eivind Listerud were first-team and Pat Risner was second-team all-district. Huff also earned additional honors, as he was named to the Academic All-America first-team for the second consecutive season.

Miners Endure Another "Transition Year"

At the beginning of the UMR men's soccer team season, second-year Head Coach Eric Swanbeck said he hoped that a mix of experienced returning players and talented newcomers could turn around last seasons record quickly. Even though the team only scored a few more victories it gained valuable experience in a season which Swanbeck viewed as another "transition year".

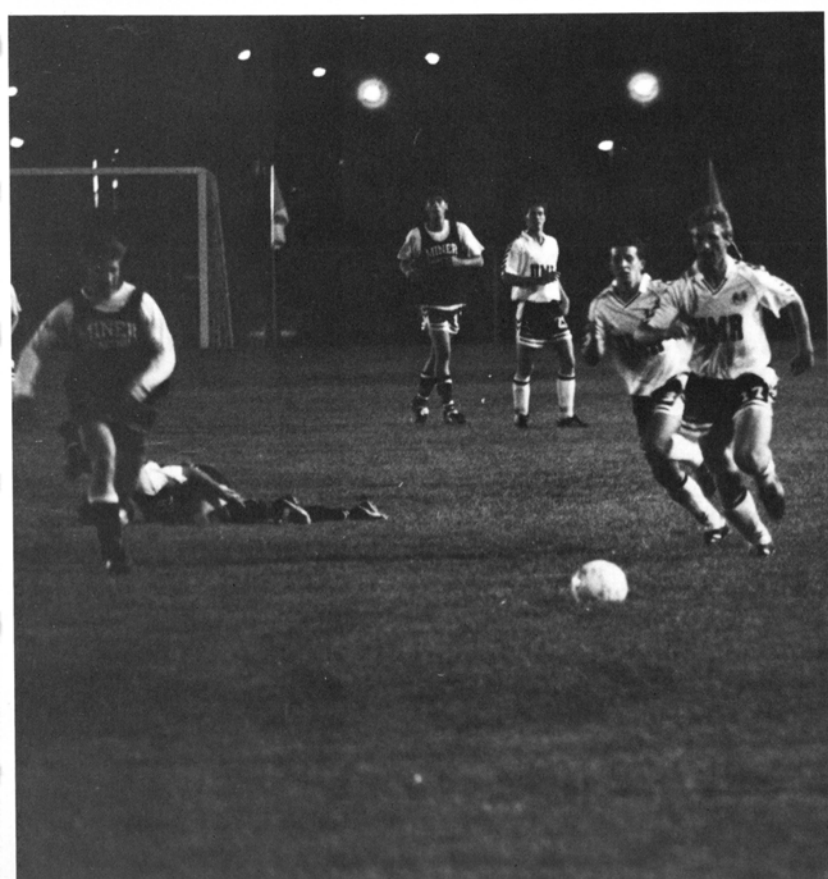

A solid core of players returned for the season led by Jim Chapman, UMR's leading scorer from last year. However, the team was comprised of a roster of only 14 players. Even so the Miners were able to better last years mark and finished short of .500 by one game.

The highlight of the season was the win over Missouri Southern. The Miners pulled off one of the most incredible victories in the history of the program. Jim Chapman scored with ten seconds remaining in regulation play to take the game into overtime, and the two teams played scoreless through two overtime periods when Scott Harrison scored with three seconds remaining. Chapman also scored three goals in a win over Lindenwood.

Jim Chapman was named to the all-midwest region first team. He led the Miners in scoring this season with seven goals and four assists. He is the fourth Miner player to receive all-region honors in the past three years.

Left: As Bill Faherty takes a direct kick, the rest of the team makes its way towards the net.

Final Record	7-10-1	

Lady Miners Accomplish Convincing Turnaround

After going 1-14-2 for the past two seasons the Lady Miner soccer team was finally able to turn it around. This was due in large part to a core of new players which made the team more offensive-minded than in recent years. In the past the team was playing defense 90 percent of the time. The top newcomers were Stephanie Ingalls, Katie Masterson, Julie Maurer and Tracy Kopetzki.

There were many highlights during the season. Freshman Chrissy Isreal scored three goals in a 4-0 win over Westminster. This was the first three-goal performance by a UMR player since 1988. The win over William Woods was the first in school history for a Lady Miner team over that opponent.

The Lady Miners finished the season with the best record for a UMR women's team since 1986. The team also set a mark of most wins by a Lady Miner squad in six years. The leading scorer was Chrissy Isreal with five goals and five assists. The future looks very bright indeed for the Lady Miner soccer team.

Left: Tracy Kopetski works hard to keep an opponent from stealing the ball.

Above: Angie Passanise does a good job of applying defensive pressure as she lunges towards the ball.

Left: Melissa Moore keeps an opposing player from getting near her own net.

Back: Jason Piepho, Ryan Wade, Rod Jackson, Todd Weaver, James Sinner, Jamie Brueggeman, Larry Smith, Chris Gordon, Chris Henry, Terry Harton.

Miners Live up to Expectations

After all the success the men's basketball team had last season, many things were expected of them this time around. The Miners were picked to finish third again in the MIAA in a pre-season poll. With 10 lettermen back in the fold for the season, the Miners were up for challenge.

UMR opened up the season in record-setting fashion in a 133-85 rout over Arkansas Baptist. The Miners set five new school records, tied a sixth and broke a conference record in the process. The team made 19 three-pointers and broke the MIAA record. Bill Jolly became the MIAA's all-time leader in successful three-point shots, while Chris Dawson became the 15th player in UMR history to pass the 1000 point mark for his career.

The highlight of the season was undoubtedly the win over Washburn, ranked number two in NCAA Division II, at home. The Miners held off a late charge by Washburn to secure the victory.

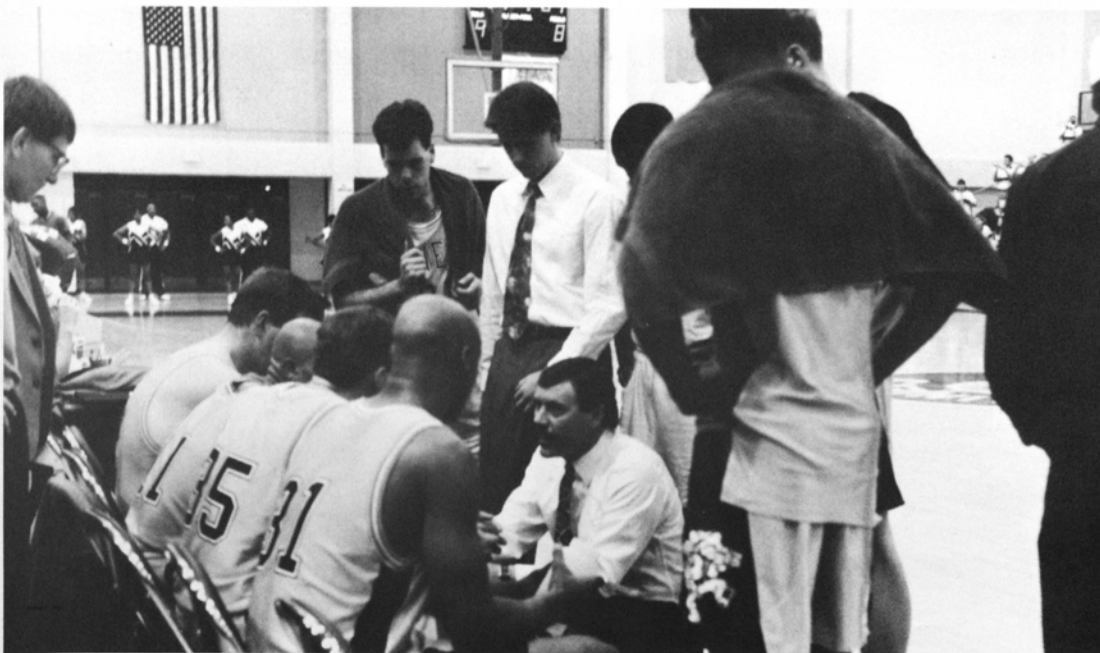

Many records were set in this exciting season including that of Bill Jolly becoming the school's all-time leading scorer when he broke Curtis Gibson's record of 1,534 points in a win over Southwest Baptist.

Bill Jolly was chosen to the 1993 Division II All-America third team. He is the all-time leading scorer at UMR with 1,920 points, led the MIAA in scoring with an average of 22.4 points per game, finished in fifth place on the MIAA's all-time scoring list and set ten school records.

Lady Miners Continue to Contend

After a strong season last year, much was expected of the Lady Miners for the 1992-93 season. Even though only one starter returned, that being Stacy Mathes, the women's basketball team stepped up to the challenge and finished the season with a winning record. It was the fifth straight winning season for the Lady Miners, the first time that has ever occurred. The team's win at Central Missouri State was their first ever. UMR was 8-8 in the MIAA and made the MIAA Post-Season Tournament for the fifth consecutive year.

Joee Kvetensky turned in some solid performances during the season. Kvetensky was named MVP of the Cox Cable Classic tournament early in the season. She also had a career high 28 points against Emporia State. In addition, Kvetensky set the single season school record for points scored in a season with 489.

Swimmers Continue to Soak up Success

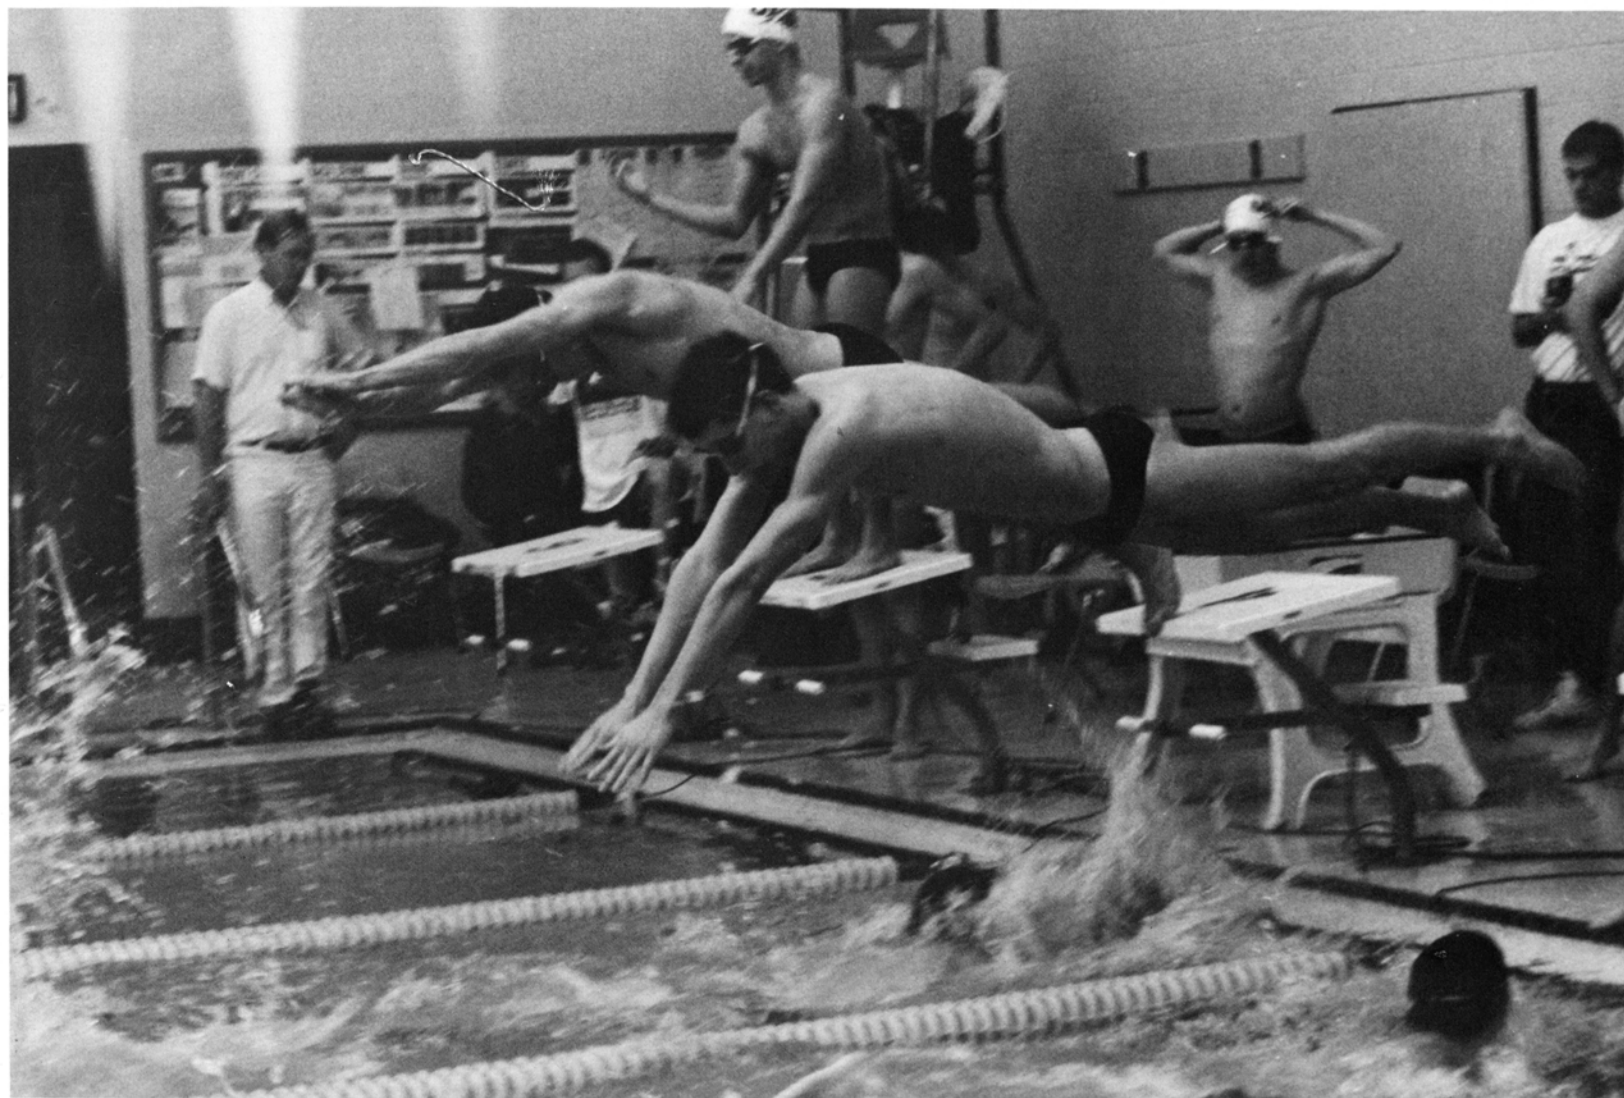

Even with the loss of Jeff Kuta, a five-time All-America award winner, the Miner swimming team continued to taste success in the water. The main reason for the team's success has been its improved depth, which translates into a lot of second and third place finishes in addition to first place finishes. Head Coach Mark Mullin's goal for the season was to win the Mideast Regional Championships.

It was a great year for the Miner swimming team, as UMR finished dual meet competition with a 10-2 record and then took first in the Mideast Regional Championships for the first time since 1989. There was also a historic moment at the Show-Me Invitational in which freshman Rob Hagan was reunited with his triplet brothers, and the three swam the first leg for their respective schools in the 400-yard freestyle relay.

Mark Cresswell was outstanding this season as he was close to the national meet cuts since the first month of the season. He qualified for the national meet with a time of 4:07.75 in the 400-individual medley. The team eventually finished 21st at the NCAA Division II Championships.

In addition to being one of the top teams strictly in the water, the Miners also had outstanding performances in the classroom. For the sixth time in the past seven years the swimming team was named to the All-Academic team.

Miners Struggle Through Season

After last season's improvement, Head Coach Travis Boulware was optimistic that the Miners could continue their upswing. However, UMR finished the rain-shortened season with an eight game losing streak. The major culprits during the year were a lack of strong pitching and erratic defensive play. Miner pitchers allowed the opposition to bat .318 against them and had a team ERA of 8.34. Defensively the Miners committed 59 errors in 21 games.

Despite the struggle, UMR did get solid seasons from several players. Rightfielder Chris Leaton led the team in hitting with a .357 average while Tom Hasenstab had a strong finish to raise his average to .290. On the diamond, Tim Pruett led Miner pitchers in wins with two before suffering a season-ending knee injury. Jeff Mitchell had the lowest ERA among Miner hurlers at 4.99, and Steve Zoll threw the team's lone shutout in a win over Lincoln.

Chris Leaton was selected to the MIAA all-conference second team as an outfielder, and pitcher Jeff Mitchell earned All-Academic honors.

Another Year of Success

With the combination of experienced players and talented newcomers, Head Coach Lisa Burwell was looking forward to the season. The Lady Miner softball team finished its season with winning record but only went 3-7-0 in the MIAA.

Two players were named to the all-conference team for the 1993 season. Dyan Risher earned first-team All-MIAA honors as an outfielder. She was the leading hitter for the Lady Miners with a .382 average and lead the team in six other offensive categories. Kristan King was selected to the second team as an outfielder and hit .311.

Several other Lady Miners had solid seasons. The best earned run average was posted by Mary Rohrbacker with a 1.96 to go with an 8-7 record. In addition, pitcher Jenny Crede had 8 victories for most on the staff.

In addition to being successful on the playing field, UMR also had outstanding performances in the classroom. Christy Cheeley, Jenny Crede and Kristan King earned All-Academic honors.

Rugby Squad Gets Down and Dirty

The UMR Rugby team had another successful season. The team scored wins over Ft. Wood, West Plains and Central Missouri, while a loss to Langenburg kept the squad out of the Western Regionals. Due to injuries and academics, a number of players didn't play during all or part of the season. However, the class of newcomers looks very promising.

The team is looking forward to next year when Professor Miller takes over as coach. His experience is bound to give the Rugby squad the edge they need to remain competitive. Professor Miller's years of experience come from playing rugby in Europe and Africa.

In order to balance work with play, the UMR Rugby team also held many social events during the season. Everyone agreed that they had a good time, either from the meetings, get-togethers or wing teas at six in the morning.

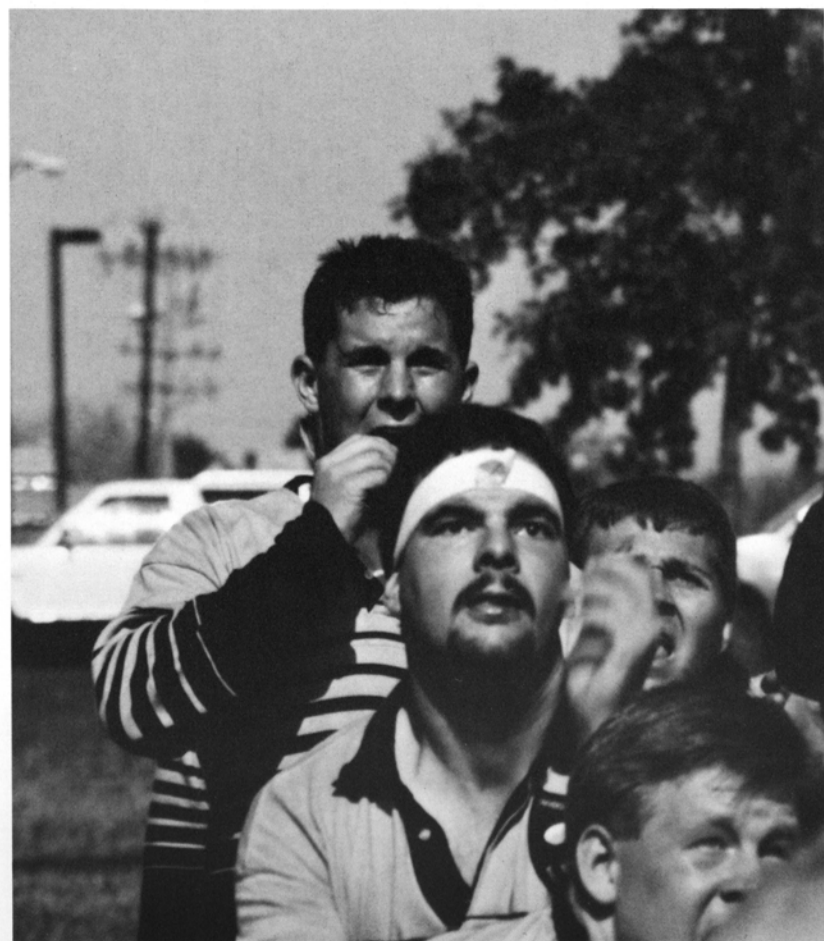

Above: Sam Welge towers off his opponent to win the line-out for UMR.

Miners Take Step in the Right Direction

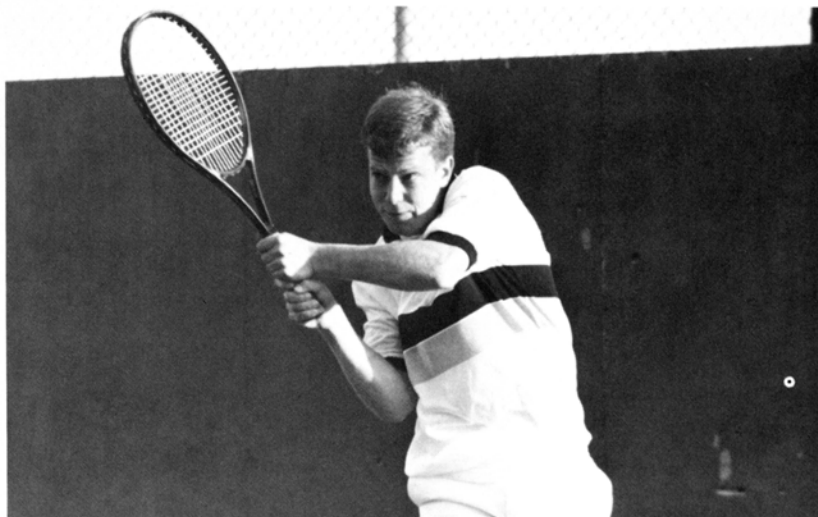

After failing to win a match during the 1992 season, the UMR tennis team finished at the .500 mark for the season with a 5-4 win over Westminster in the last regular season match. Unfortunately for the Miners, the success did not carry over into the MIAA Championships, where they finished last among seven participants.

The team had solid performances in singles competition from first-year team members Jim Fiechtel and Eric Cloud. The doubles team of Mark Hughes-Ryan Saffels was also a consistent winner during the year.

Two UMR tennis players were recognized for their success in the classroom as well. Aaron Otten and Josh Prince earned All-Academic honors.

Above: Following through on a strong return, Jay Hertel gives the extra effort to help the team.

Above: Jim Fiechtl follows through with his powerful backhand.

Team Starts to Mature

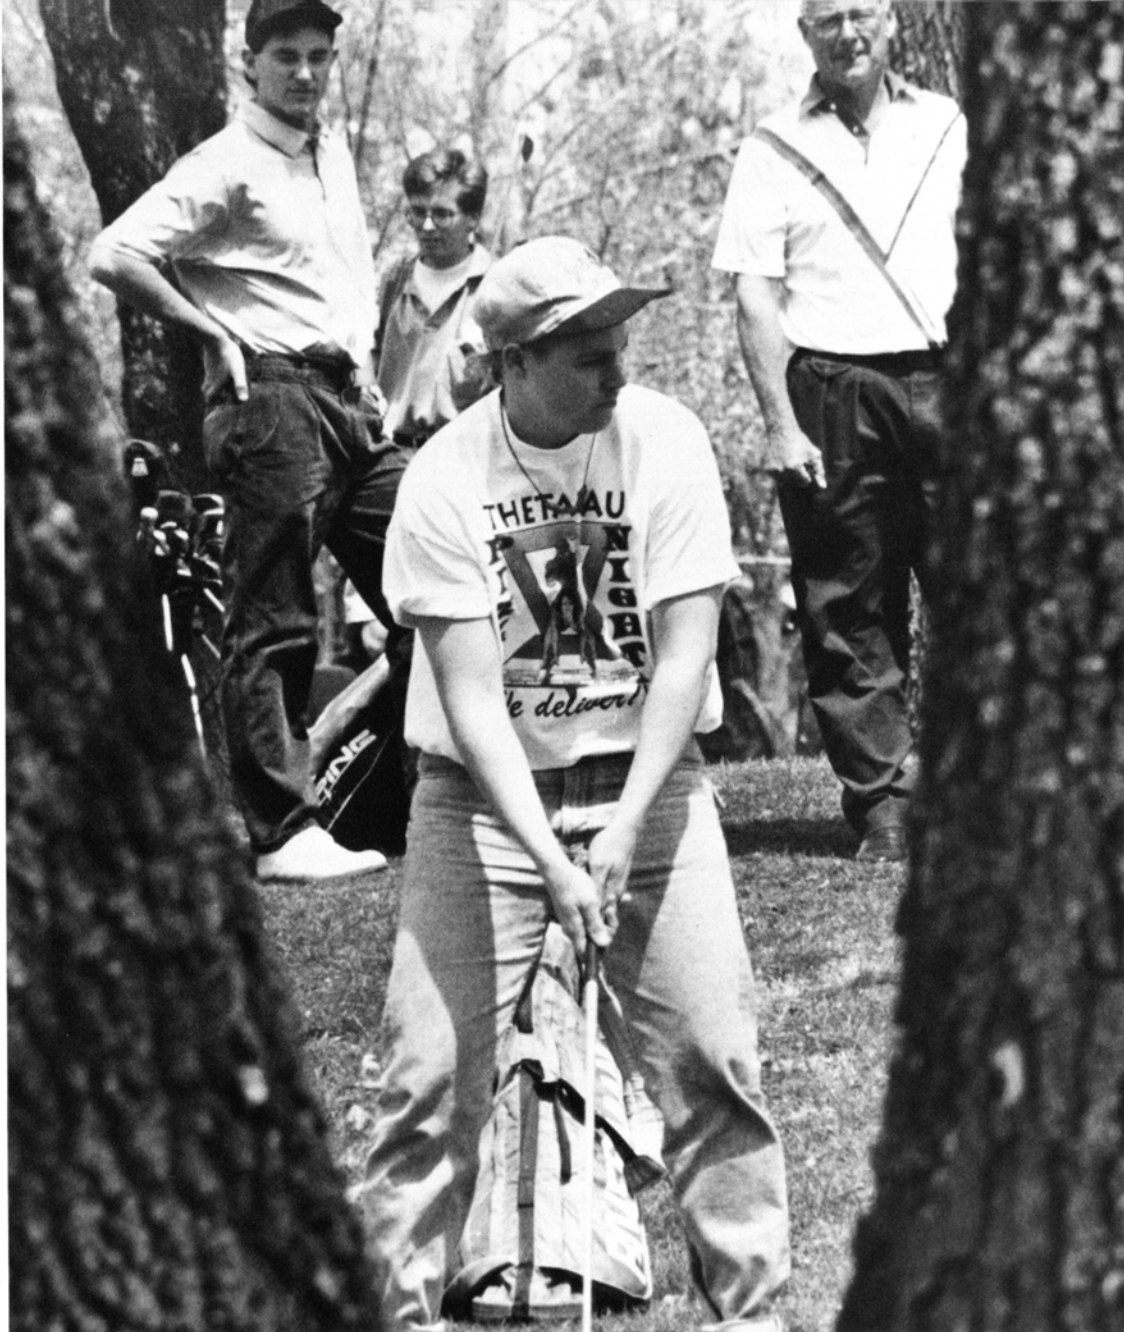

The golf season at UMR came to an end as the Miners finished in eleventh place at the MIAA Championships at the Oaks Course at Tan-Tar-A, Lake of the Ozarks. The Miner team finished in the middle of the pack in most of their meets.

Brian Haggard had another great season as he tied for second overall with a score of 150 and missed getting a medal by one shot in the Ramada-Inn Invitational. He was also the top performer for the Miners in the MIAA Championships as he shot a 245 for 54 holes.

The team finished third in the UMR Best Ball Tournament. Brian Haggard and Ryan Morris each shot a 155 over the two-day event, with Morris checking in with a 76 on the first day. Haggard shot a 74 the following day.

Above: Team MVP Brian Haggard carefully reads the green before attempting a birdie putt.

Individual Successes Galore

The men's and women's UMR track and field teams had very successful seasons this year, especially on the individual level. Although the men and women didn't finish very high at the MIAA Championships, performances by certain athletes made up for the teams' position. In addition, many old records were shattered this year by both men and women.

A pair of school records fell as the Miners competed in the Jayhawk Invitational. Mike Provence bettered his provisional qualifying mark with a school record performance. Provence posted a distance of 51-feet, 9-inches to take second place in the event. Craig Sorensen met the provisional mark in the high jump with the best ever jump by a UMR athlete. Sorensen had a jump of 6-9, which tied for fifth.

Jeff Hurt and Leta Thomas were the standouts for the UMR track teams at the Central Missouri State Classic. Hurt won the long jump and finished second in the triple jump, while Thomas set three school records. Thomas set records in the 55- and 200-meter dashes and the long jump.

Although the UMR men's track team finished in seventh place at the MIAA Championships, the Miners did have something to smile about. UMR athletes won two championships and posted a pair of provisional qualifying marks for the NCAA Division II national meet. Hurt repeated as the MIAA champion in the long jump, while Sorensen won his first championship.

Left: Slipping gracefully over the bar in the high jump, junior Craig Sorensen looks toward his landing zone.

Below: Mike Provence coils up for what looks to be another powerful toss.

Right: As spectators look on, Luci Minor completes another shot put toss.

Far Lower Right: Leta Thomas (center) gets ready to take the lead as the finish to the 200 meters nears.

Below: Jeff Hurt on his way to a second-place finish at the MIAA Indoor Championships with a long jump of 23-feet, 8 1/2 inches.

Left: Scott Werner displays his best pole-vaulting form at the SMSU meet.

Above: Steve Young gets set to clear the water hazard in the steeplechase.

Left: Craig Sorensen on his way up towards another strong finish in the high jump.

UMR Rifle Team. Coach Richard Moen, Lance Yarbrough, Mark Cowell, Matt Maerli, Martin Rassberry, Jon Sidwell.

Young Team Aims for Perfection

The UMR rifle team lost all but one of their team members from last year, but recruited four freshmen. Starting late in the season and with the apparent hinderence of non-experienced shooters, the team overcame the odds and finished the season with a match record of 4-1.

The determination of the young team paid off. Finishing 4th in the NCAA Sectionals and 3rd in the MIRL, the talent shown this season only foreshadows the match performances and championships yet to come.

This season, all team members shot season highs. Mark Cowell's 1041x21 at the MIRL Championships and Lance Yarbrough's 1037x21 recorded at the NCAA Sectional Championships, were the two high scores of the season.

Lance Yarbrough was the team captain and the only member from last years squad to return. Along with Coach Richard Moen, the two started out the young team on the road to victory. High scores and high rankings in tournament play stayed with the team all season long.

The MVP of the team was Mark Cowell. His score of 973x17 at the NRA Open Sectionals earned him a silver medal in the Masters Class. Mark has lettered, earned NRA honors and award points and been elected MVP all in his first year.

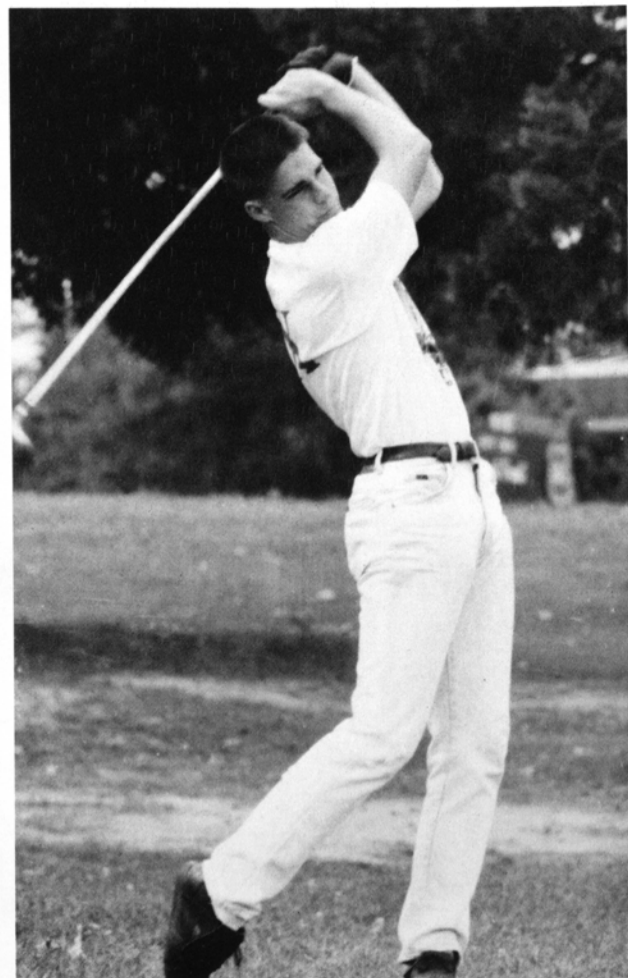

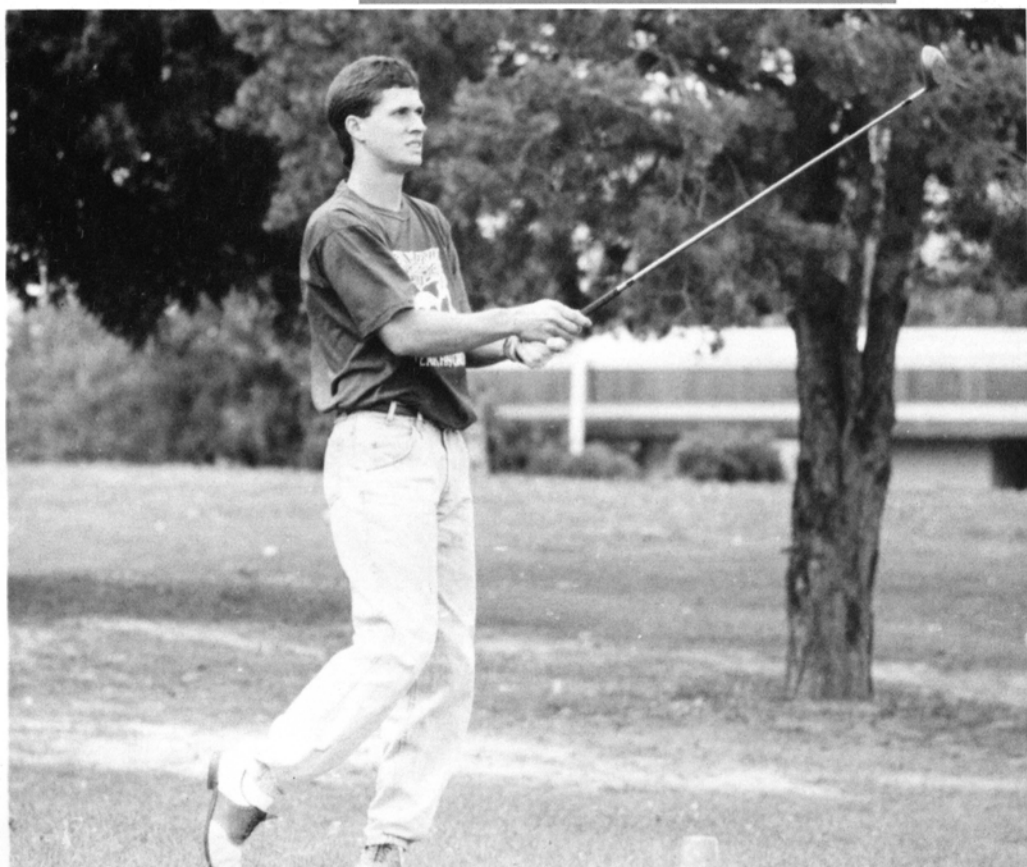

The team especially thanks Coach Moen for all the time spent with the team from six a.m. practices to all-night drives to matches.

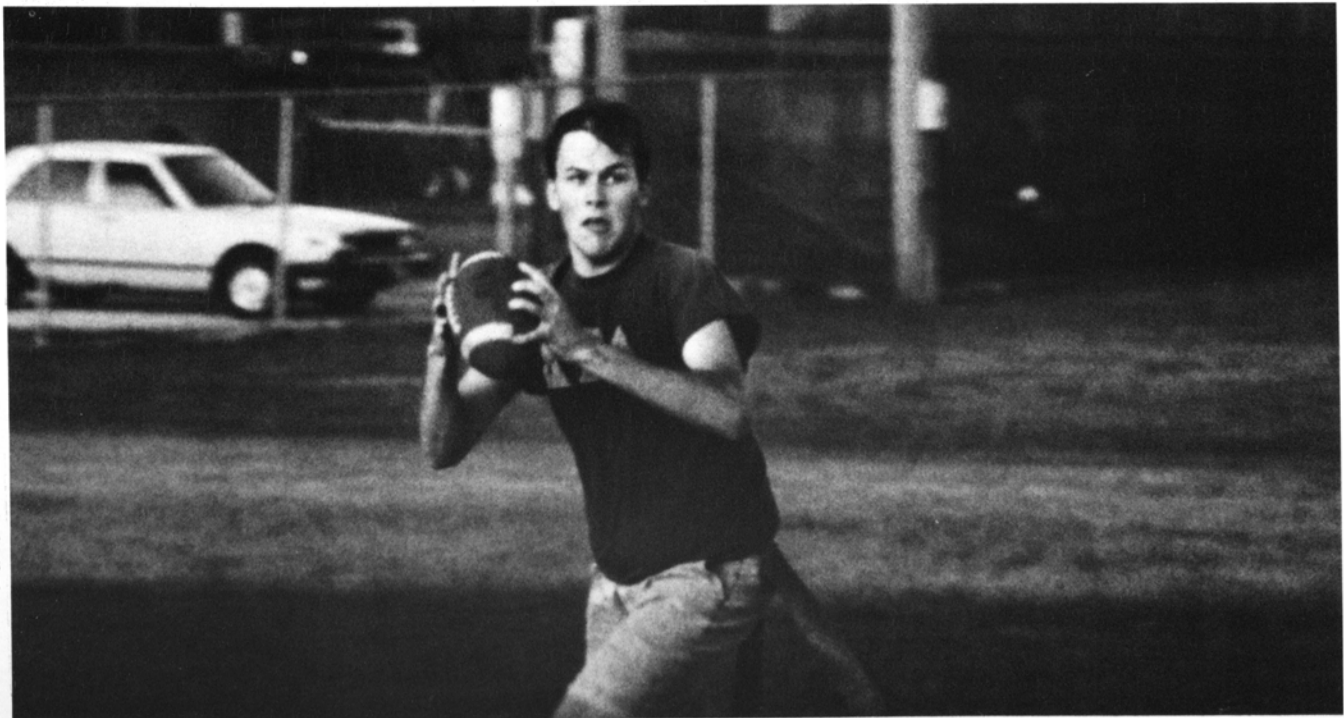

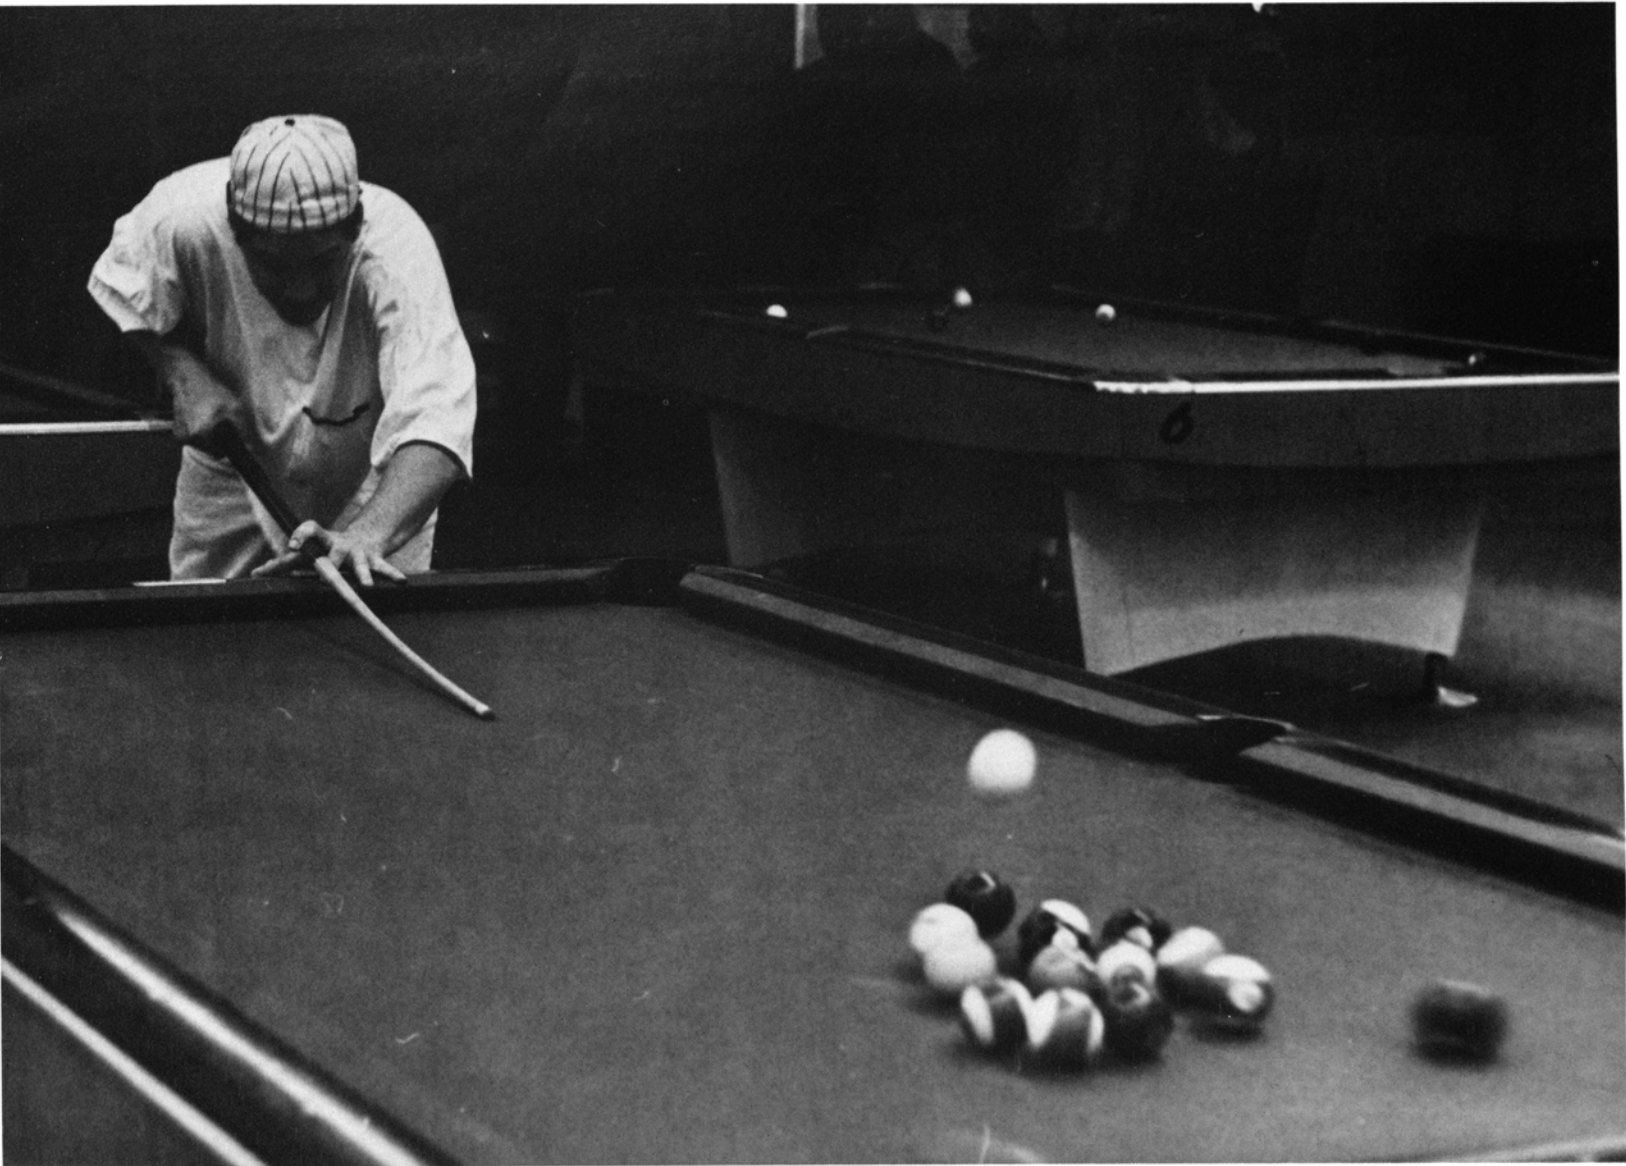

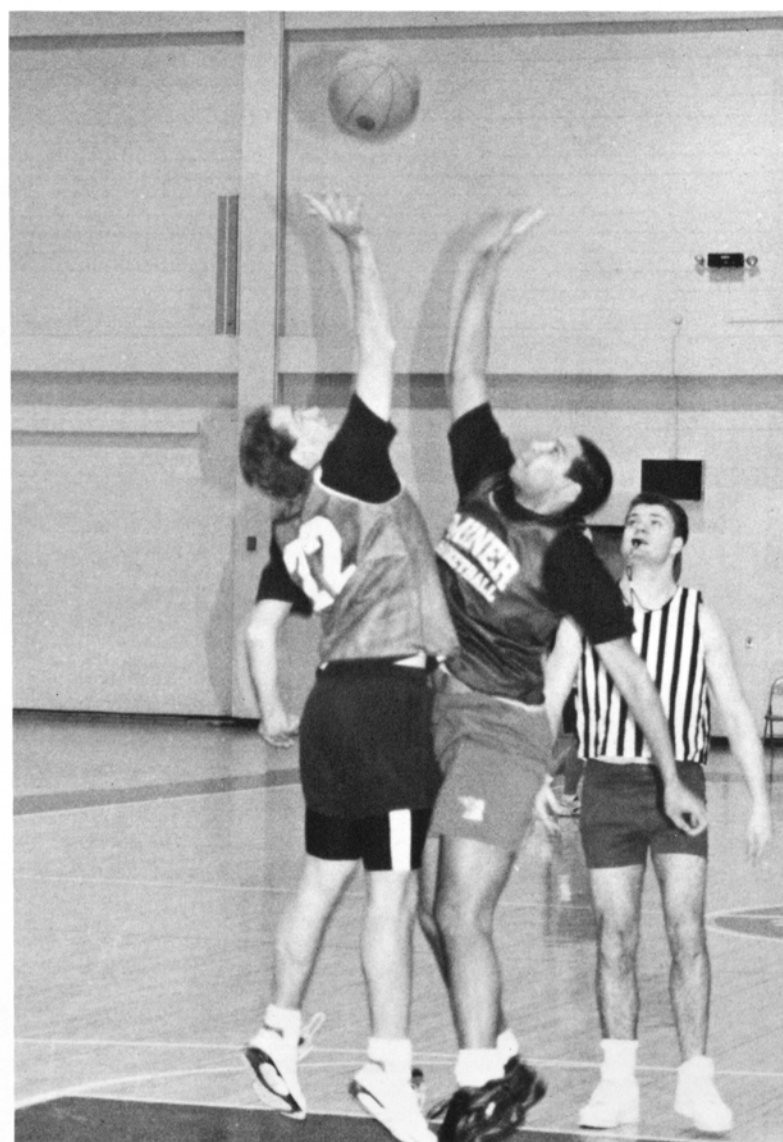

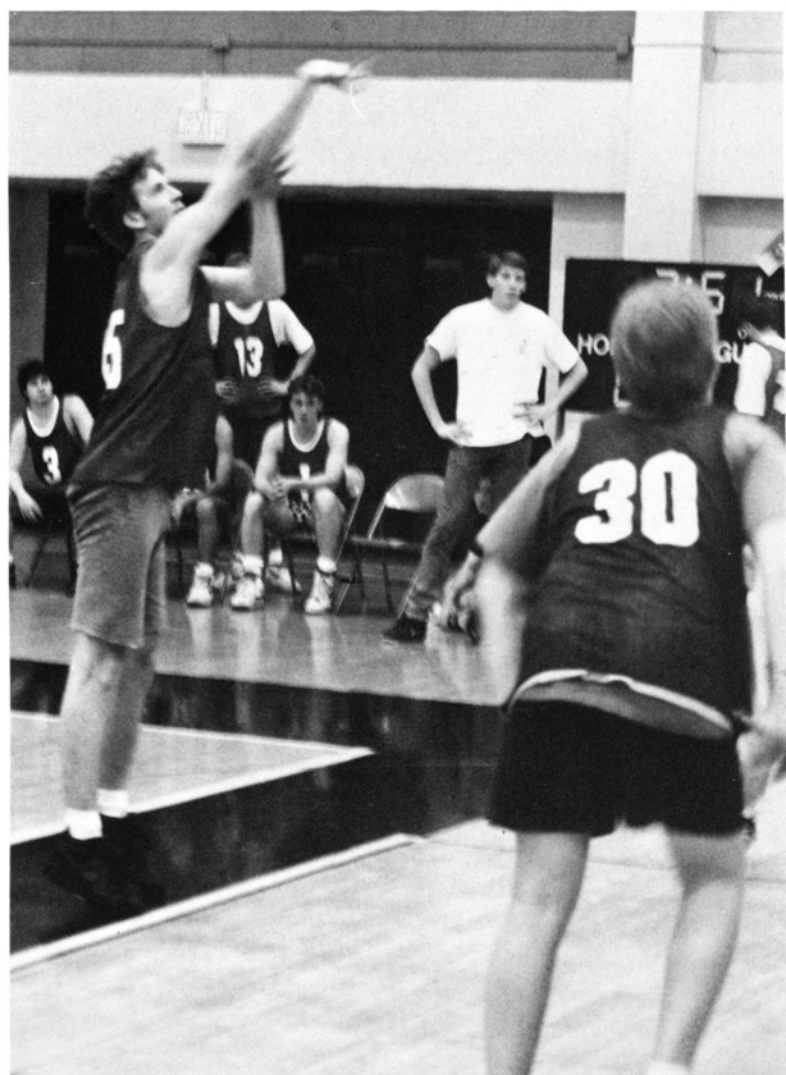

Left: Getting ready to do some shooting, a member of the trap and skeet club loads clay pigeons.

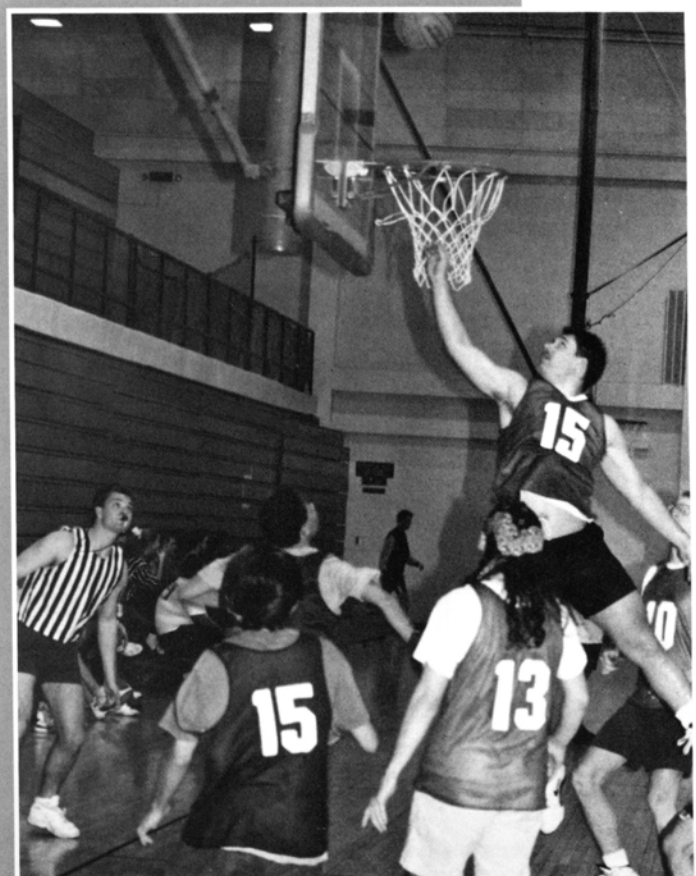

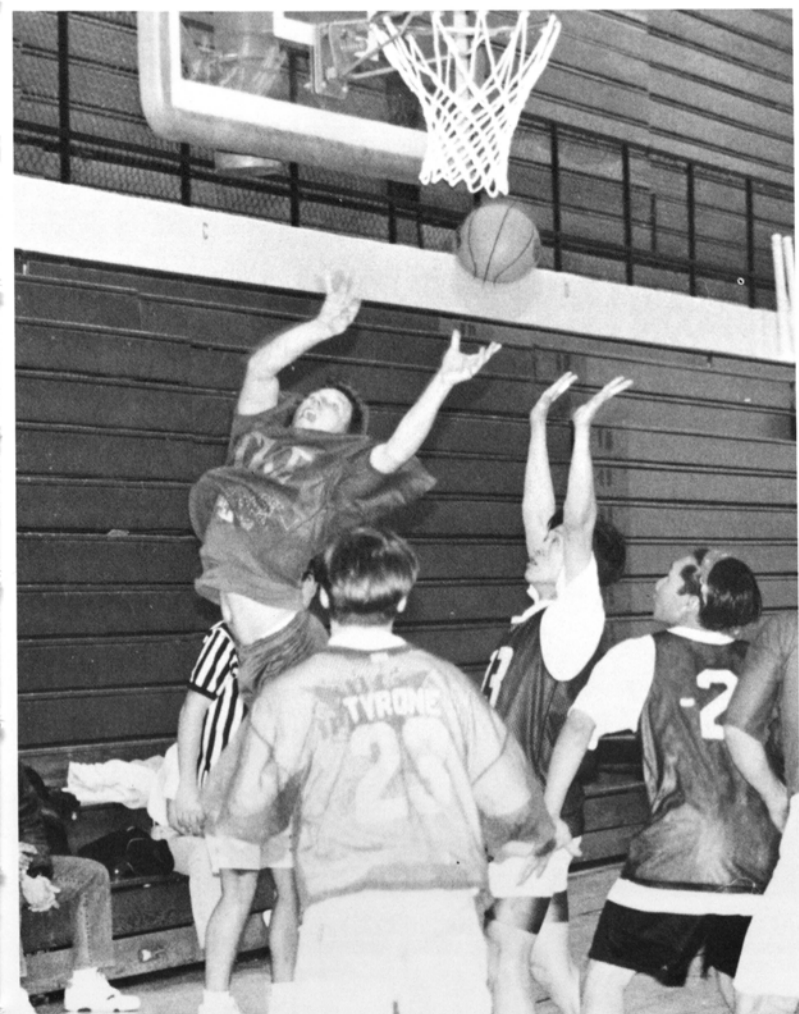

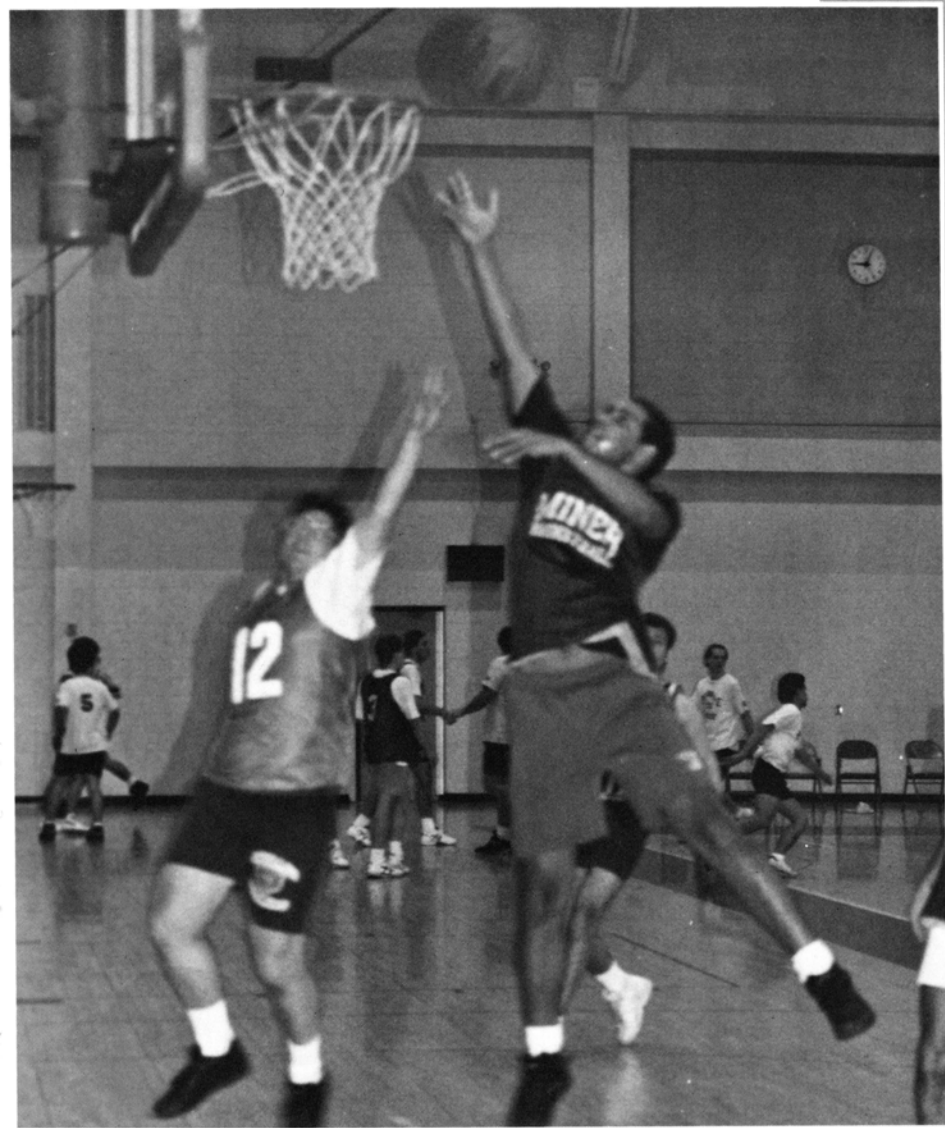

Below: Members of the rifle team set up in the most common shot positions.

MSM-UMR Homecoming 1992

UMR was definitely rocked by the activities for the 1992 MSM-UMR Homecoming. All week students took part in a kaleidoscope of spectacular SUB sponsored games. The festivities included everything from hip-hoppin' Hula Hoop contest to a rock-n-rollin' Celebrity Lip Synch contest. Amazingly, there was even a visit from none other than Elvis. (Imagine that!)

At the Homecoming football game, the fun continued. There was the pre-game tailgate party and the Human Fly Trap Wall. During the game, there were the usual thrills, spills, oohs and aahs as the Miners fought hard against the opponent. The week climaxed with the crowning of Lisa Molner as queen. The Pikes took first place in the week-long participation competition.

After the game Alumni and current students rocked Rolla all night long with parties, dances, and concerts.

Opposite Left: Four Kappa Kappa Psi members prepare to launch an egg using their revolutionary crossbow / catapult design.

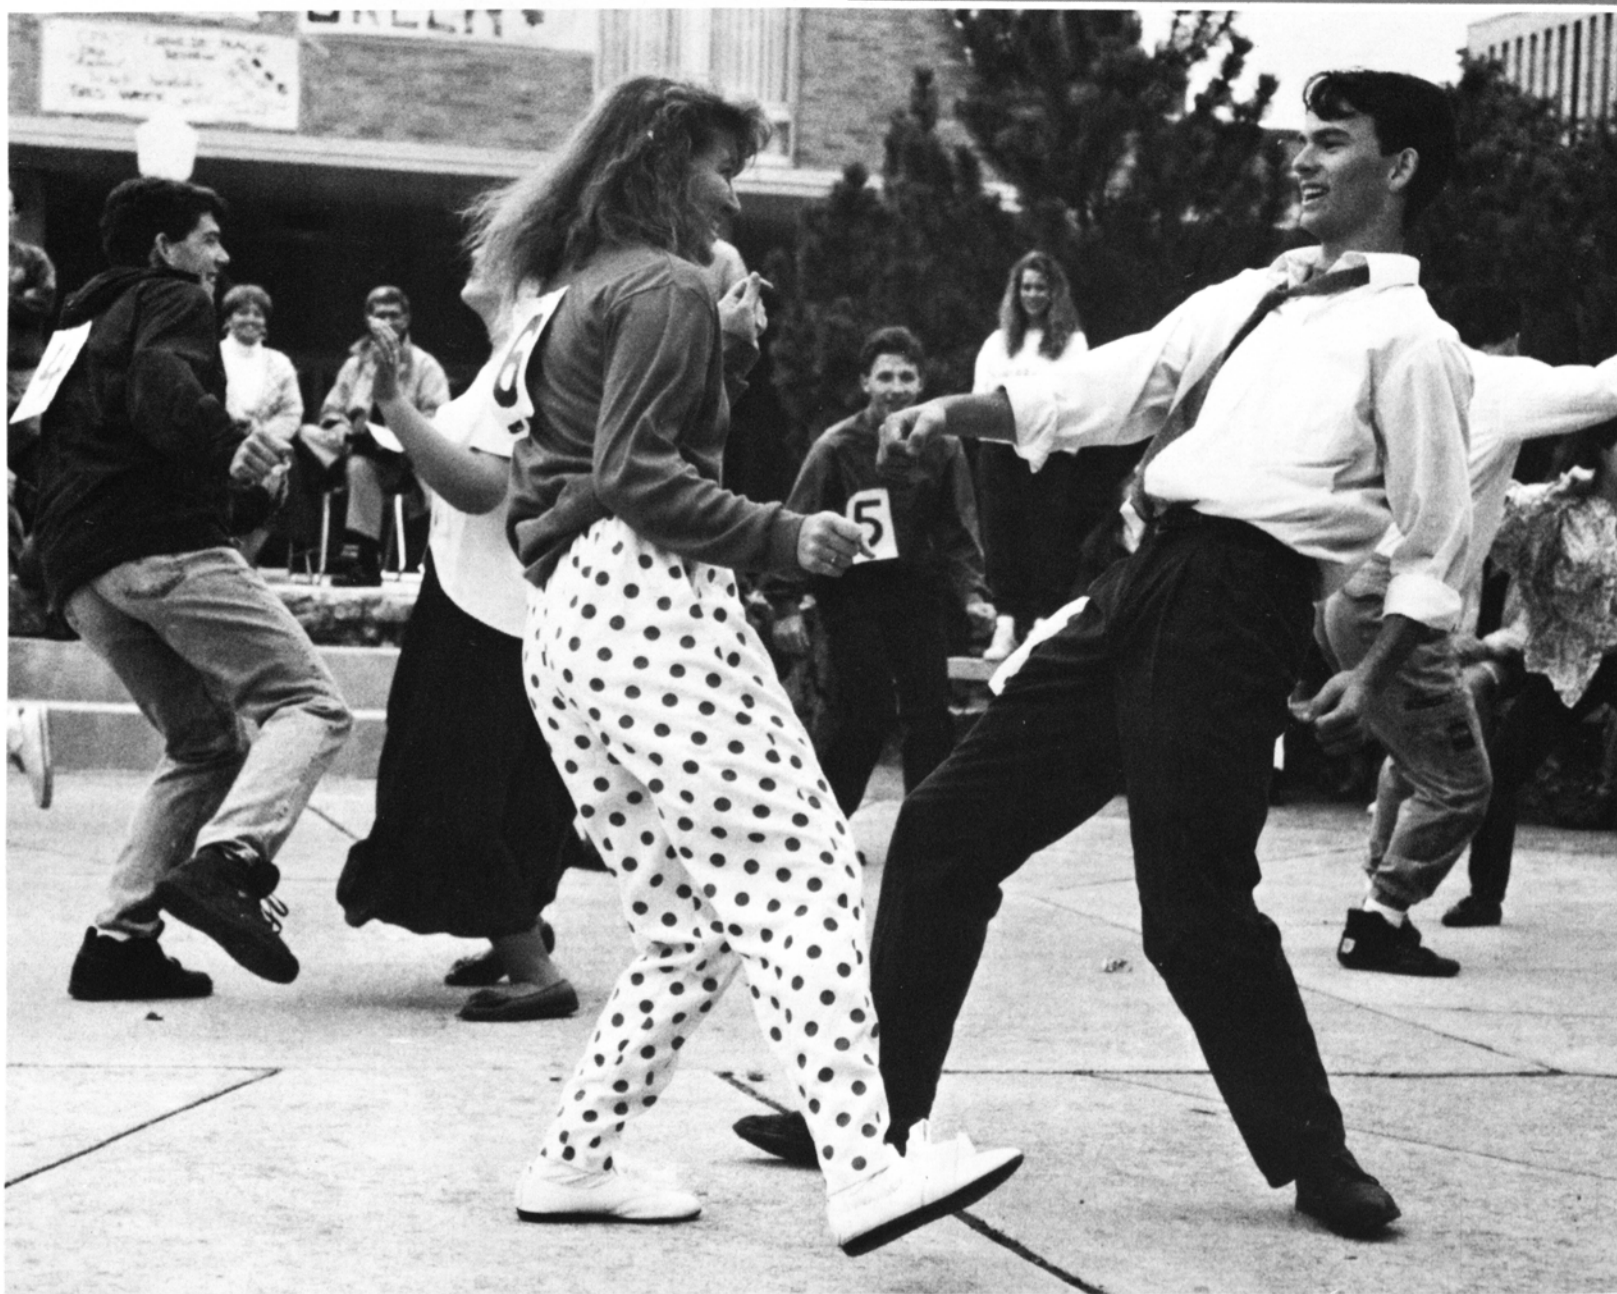

Left: Co-ed team twister was always one of my favorite events too.

Phi Kappa Theta

ΦΚΘ ΦΚΘ ΦΚΘ ΦΚΘ ΦΚΘ ΦΚΘ ΦΚΘ

The 1992-93 school year was once again a successful one for the Missouri MU chapter of Phi Kappa Theta. We witnessed the initiation of twenty-two new brothers and we continued our tradition of excellence in academics and intramurals. This was evident as we finished among the top in both of these areas. Not only did we excel in academics and intramurals, but we also were very involved with campus activities as well as many charity fundraisers. This year, we held several T.G.I.F's with the sororities here and we also had several big parties including the Kiss the Summer Goodbye Party and the Party Before the Party. We continued our tradition of being very socially active with campus. During Homecoming, Christmas Party Weekend, St. Pat's and Greek Week, several alumni came down to see the progress we have made and to share in the festivities. This year we held our first annual Alumni Weekend which proved to be an excellent opportunity to strengthen our alumni relations. Phi Kappa Theta plans to continue its strong tradition of excellence for the 1993-94 school year and for many years to come.

Pi Kappa Alpha

ΠΚΑ ΠΚΑ ΠΚΑ ΠΚΑ ΠΚΑ ΠΚΑ ΠΚΑ

The Alpha Kappa Chapter of Pi Kappa Alpha has been actively involved in campus and community activities over the last year. We started the intramural season off right with a big first place finish in flag football and tennis along with a second place finish in soccer. Homecoming for Pi Kappa Alpha was a huge success. Thanks to the largest homecoming display in UMR history and our queen candidate Lisa Wilhaus, we received the first place homecoming trophy for overall competition and participation. Pi Kappa Alpha would like to thank all the brothers who are involved in campus organizations, especially the ones who hold the offices in these organizations. Thanks for upholding the image and reputation of the Alpha Kappa Chapter and helping us strive for excellence. Charity and community service has been a major objective for the Alpha Kappa Chapter over the last year. Thanks to all the hard work put forth, we have accomplished this goal. We have been working with the American Diabetes Association to help stop diabetes by collecting money from customers in front of stores and doing toll roads. We collected a lot of clothes and donated them to the LOVE program in Rolla. We have also participated in highway clean-ups and Rolla clean-up days to help preserve the beauty of Rolla. Finally this has been a special year in the history of the Alpha Kappa Chapter of Pi Kappa Alpha because it marked the one hundred twenty-fifth anniversary since our founding. It was a day none of our brothers will forget.

Sigma Nu

ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ ΣΝ

The brothers of Sigma Nu once again enjoyed an excellent year on the Rolla campus. We made steady strides in academics in spite of our weekly social engagements and a few unfortunate brothers reaching the alumni status early. We came back from the early setback of our three story Elvis, which was not to be. Our intramural program showed strenght and resolve as we chipped away in search of another strong finish. The spring semester was especially kind to us, Sigma Nu threw its weight behind the St. Pat's Celebration under the leadership of Brother Shawn Craig, St. Patrick 1993. We relished the return of Alice by proudly presenting our first cudgel, which lead us to a second place overall finish. We also had our first annual May Day Dash raising over \$1000 for Special Olympics. Sig Nu had much more to be proud of, as Brother Brian Klein and Ryan Barr were named IFC Man and Intralmural Athlete of the Year, respectively. We were also proud to lend leadership to the Miner, Theta Tau Omega, and many others. Finally the Brothers of Sigma Nu would like to congradulate our fifteen graduates and the class of 1993 for making it out.

Theta Xi

With the recent graduation of many of our brothers, we faced a make-or-break year for rush which, with a lot of hard work by everyone, we came through with flying colors. We pledged 15 new members bringing our house to a comfortable total of 30 guys. And to follow up that success, we initiated 14 new brothers at the start of the spring semester. Theta Xi has been active in almost every activity on campus, from intramurals to IK. This year we boasted a winning streak (for a change) in almost every intramural sport, even capturing the singles tennis championship courtesy of our very own Eric Cloud. Way to go Eric!! Additionally, we had representatives on all major student organizations, including APO, IK, and GAD. We also participated in both the Homecoming and St. Pat's festivities and although we failed to clinch any victories, we had a lot of fun along the way. For the first time in two years we have a St. Pat's rep, Mike Greenway (Congradualtions Mike!!), which allowed us to actually compete in the St. Pat's games. And while we didn't win, we had a blast trying. Recently, we raised nearly \$600 to donate to our national charity, Multiple Sclerosis. Locally, we've been involved with a number of GAD community projects, doing some interior painting at the Holloway House and hauling firewood for the Wesley Foundation to distribute to the needy. We have also been trying to emphasize academics and our work has really shown. Last spring we placed second out of 21 fraternities and this last fall we took sixth. Hopefully, this will be just the added incentive we need to get back on track and ready for the top again. And lest we sound too serious, we've also been taking time to kick back and have a good time with TGIF's and parties with the sororities and other fraternities, including our infamous Christmas and Valentine's Day Massacre parties, both of which were a big hit with everyone. The Men of Theta Xi look forward to making the coming year the best ever!!

Thrid row - Kerri Kraft, Francine Belaska, Sonya Oetting, Angela Passanise, Lena Tsoulfanidis, Kristi Heinemann, Kelly Goodman, Mary McClain, Lauren Poole. Fourth row - Rachel Limbaugh, Sandi Todd, Laura Bytnar, Beth Shaw, LeAnne Kilby, April Mason. Fifth row - Cindy Schreckenber, Lynette Brunner, Robin Rinker, Jennifer Hunsicker, Catherine Lunde, Susie Race, Shannon Neimeyer, Deanna Wohlgemuth, Lisa Willhaus, Suzanne Reeves. sixth row - Angie Baer, JoMarie Flahive, Jennifer Mueller, Sheila Connors, Karen Niehaus, Sandy Junge.

Chi Omega

We started off this year by placing second overall in the Homecoming games. For community service, during Christmas we went caroling at the Phelps County Hospital and the Presbyterian Manor Nursing Home. We also visited with the children of State School during Halloween and Valentines Day. In intramurals, we placed second in basketball, football, and vollyball. Finally, we had our annual spaghetti dinner for the St. Pat's Ugly Man Contest. All of the proceeds went to L.O.V.E., Local Organization for Various Emergencies. Thanks to all the chapter's hard work for another good year for Chi Omega.

Kappa Delta

KΔ KΔ KΔ KΔ KΔ KΔ KΔ KΔ KΔ KΔ

Front row - Sarah West, Laura Donley, Amanda McBane, Leigh Reisinger, Lynne Sanick, Mindy Gardner, Cheryl Figge. Second row - Michelle Shafer, Laura Herndon, Rebecca Light, Sara Tenney, Sandra Langendoerfer, Jennifer Kiefer, Brandi Smith, Shelly Johnson, Tracy Griewe, Chris Kump, Beth Rikand, Stephanie Leon, Chrissy Stelzer. Third row - Stephanie Kelemetc, Julie Thomas, Janet Alfermann, Karen Klemme, Karla Dill, Julie Schoer, Susan Goodman, Denise Ratcliff.

Kappa Delta had an awesome 1992-1993 year. We kicked off the fall semester with the addition of thirteen wonderful pledges. Our fall semester continued to be very busy with our 20th anniversary celebration during Homecoming weekend, where we celebrated 20 years on the UMR campus. Kappa Delta also hosted the first annual Soccer Smash soccer tournament during October. This event was a huge success in raising money for one of our national philanthropies, the Children's Hospital in Richmond, Virginia. We also carved pumpkins for all the fraternities and sororities for Halloween. Our fall semester also included our annual Kidnapping of the Presidents Event for charity with which we raised enough canned goods for the Rolla community for Thanksgiving. Our spring semester proved to be very busy also. We initiated the pledges from the fall semester and added five new pledges. We also recieved the Sigma Province Scholarship Award for outstanding academic achievement for the previous semester. In March, while working hard for St. Pat's we also had a lot of fun participating and working toward Greek Week 1993 in the spring semester. Along with social events with various fraternities throughout the year, we had our Under the Sea/Hawaiian Theme Party in May.

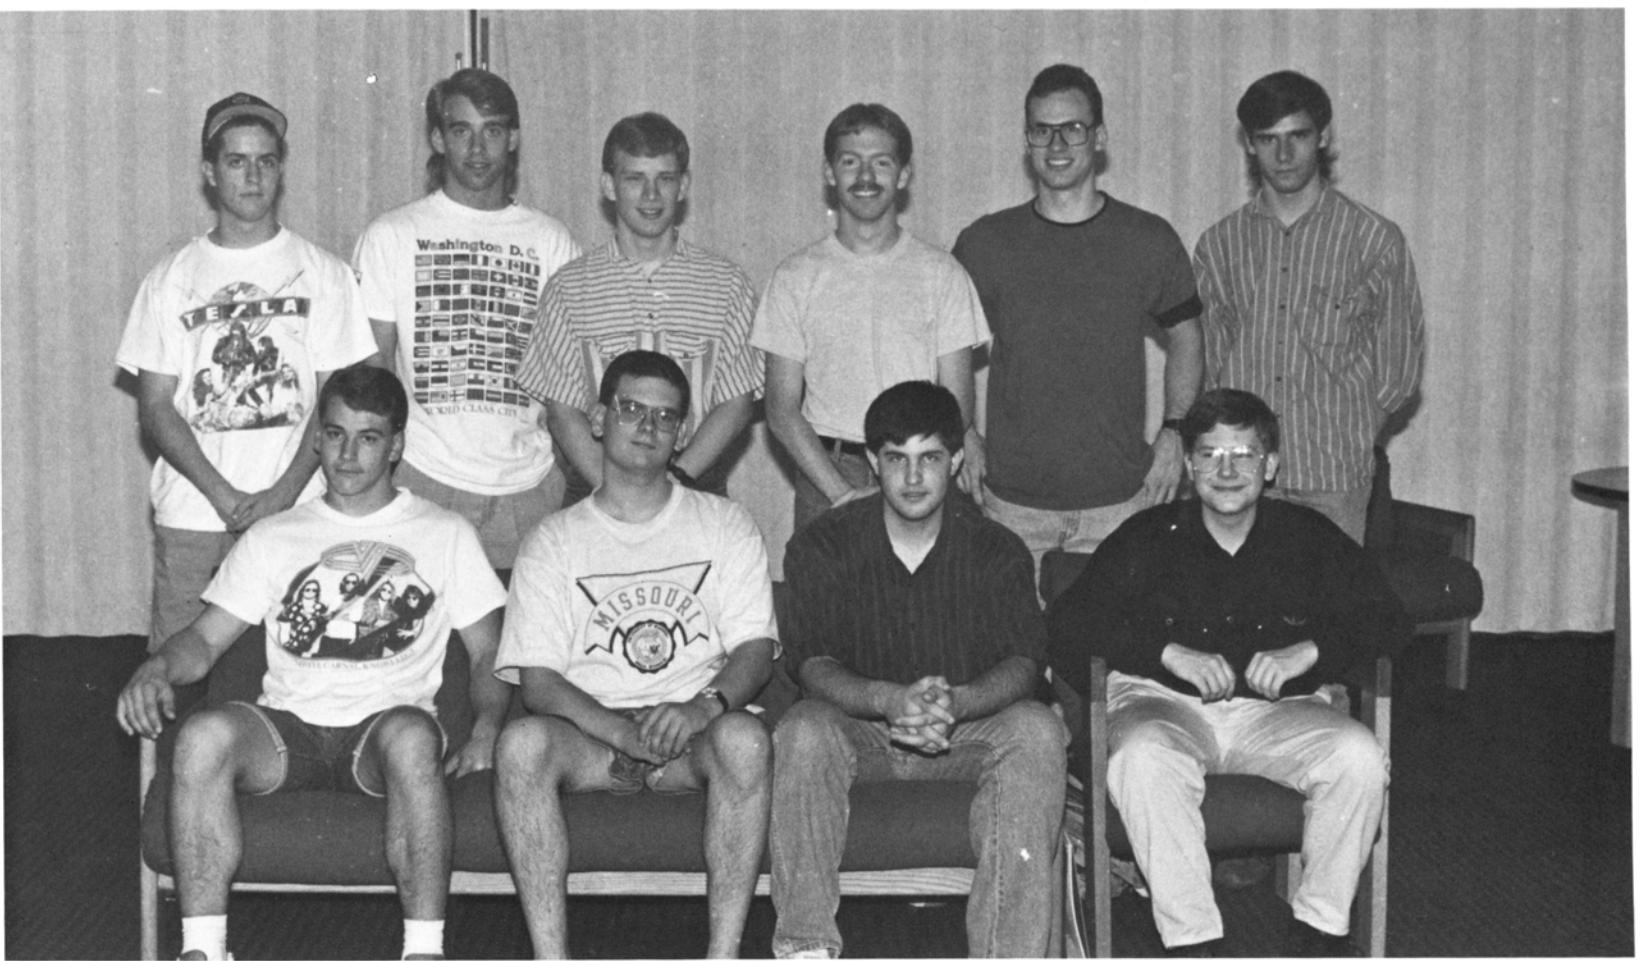

Zeta Tau Alpha

ZTA ZTA ZTA ZTA ZTA ZTA ZTA

Front row: Tara Cox, Christi Rives, Nicole Winters, Dawn McCoy, Chrissy Isreal, Susan Cho, Lisa Madison, Kristen King, Kim Thone, Marla Fisher, Rachel Daugherty, Kim Christensen, Heather Pohl. Second row: Shannon Knudson, Dawn Sharp, Chris Zimmer, Karen Griesel, Christine Peterson, Amber Ockreee, Deena Chapman, Debbie Schopp, Janice Struckoff, Janet Roper, Candy McNeill, Michelle Debourge, Lissy Kuenzel, Erica Dunning, Rayna Koopman, Jennifer Downes. Not pictured: Sarah Banks, Jeanne Barkley, Tracy Kopetzki, Tara Kruep, Kelly Peck, Carolyn Minski, Dyan Pulsipher, Rebecca Richie

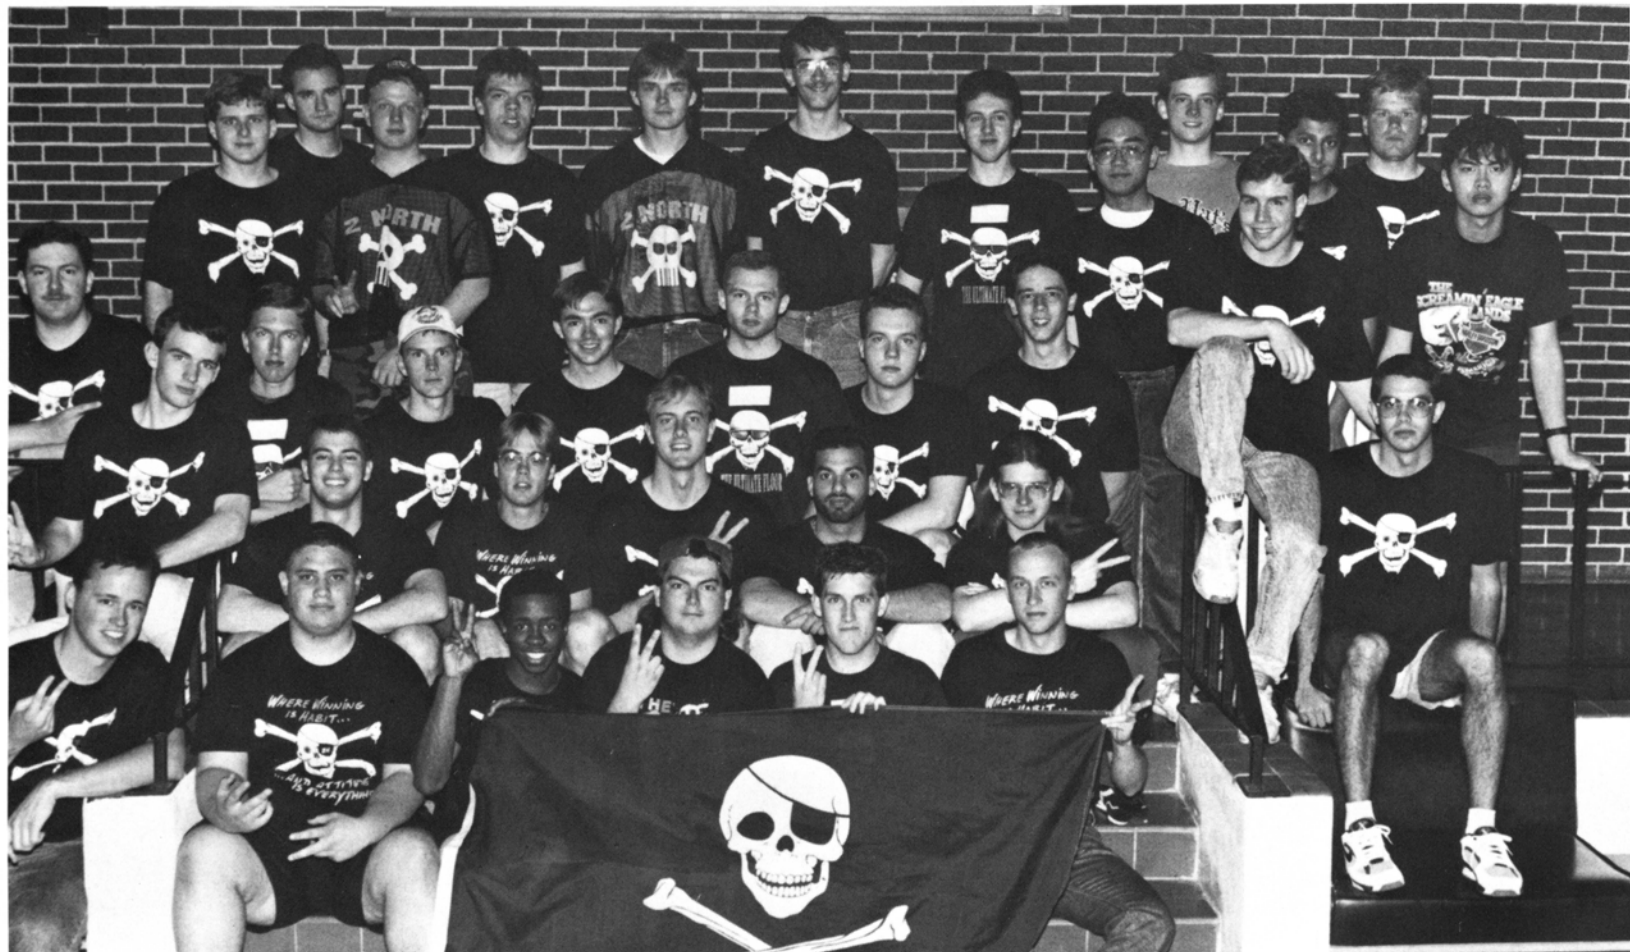

This past year has been a busy one for the ladies of Zeta Tau Alpha. We started off the fall semester with the addition of eighteen new pledges from formal and informal rush. In early September, Zeta held its annual charity volleyball tournament for Association of Retarded Citizens, one of our two philanthropies. There was an excellent turn out despite the weather. This led us into October for the Homecoming celebration with a first place finish for sororities. Zeta was proud to have our own candidate Miss Lisa Molner crowned Homecoming Queen. Zeta also held its annual Mystery Date dance this month with Safari Sweetie as the theme. The Zetas and their dates had an awesome time all dressed out in jungle gear. As we rolled into November, Zetas went to a place near Cuba for their Sisterhood Retreat for some fun and relaxation with their sisters. To wind up the fall semester, Zeta held its formal Whie Violet dance. When the spring semester began, we initiated our awesome pledges from last semester and added five new pledges to our Zeta family. We started off this semester with two great service projects, the "Zeta Jail" and Ugly Man's "pie in the face". We raised a total of over \$1500. We made donations to the Susan B. Komen Foundation for breast cancer, our second philanthropy, and to the Rape and Abuse Crisis Center. At the beginning of March, Zeta held its theme party with "Take me home I'm seeing double" as the theme. Zeta had an awesome time during St. Pats. We were proud to have Miss Melissa Kuenzel as first runner up and Miss Kristi Rives as second runner up. Zeta Tau Alpha hopes everyone had a great year, and we are looking forward to next semester.

Four North

4N was active this year in several intramural sports. Of course, 4N celebrated Pearl Harbor with a wonderful party. 4N was blessed with the presence of Wally. 4N was also blessed with a flood in the middle of the night. We finished out the year with a float trip.

Front Row - Brandi Smith, Melissa Duensing, Daphne Place, Jennifer Deis, Laura Waller, Frances Wingert, Michelle Novak, Teresa Heithaus
 Second Row - Yui Kangsadan, Tracey Davis, Angie Grabbs, Amanda McBane, Vicki Wallis, Becky Steinman, Jodie Davenport, Chris Willard, Krista Moulin, April Buesch, Wandee Watkins, Kathrine Kerstene, Kristi Dorge
 Third Row - Susan Cho, Monica Green, Pam Walk, Jenny Brunz, Pam Johnson, Vanessa Paul, Linda Starbuck, Andrea Sebaugh, Rebecca Dunkmann, Polly Robinson, Connie Jansen, Becky Chrisfield
 Fourth Row - Christy Griwach, Jessica Glancy, Rachel Limbaugh, Kim Finke, Amy Igarta, Kristi Rhoads, Carolyn Minski, Camille Kelly

Five North

Five North has been active in many ways this year. We won the TJ Christmas decorating contest with the theme of "Candyland". We held an ice cream social to break the tension over finals week, and invited Chancellor Park to visit so that residents could meet him. In cooperation with other floors, we have played ultimate frisbee several times and went to a Halloween party and hayride. In addition, we have had several opportunities to expand our knowledge including a session on how to avoid a date rape situation and weekly discussions on topics of interest.

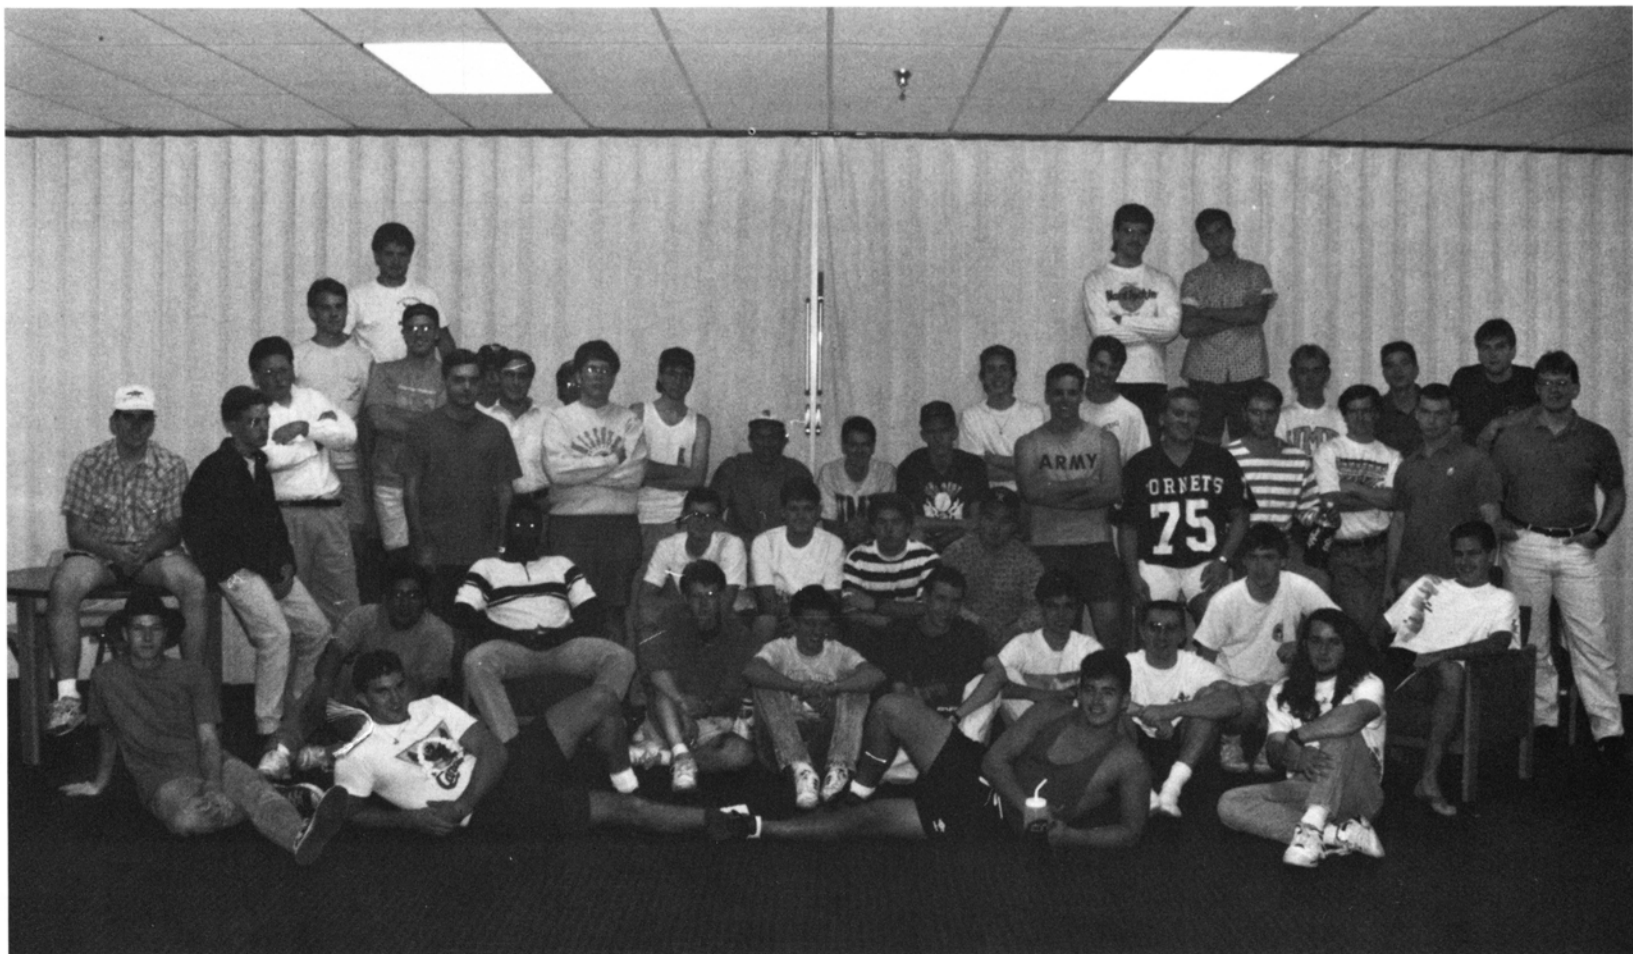

Tracy Gach, Brian Hlausa, Aaron Buie, Mike Scott, Mike Jones, Kris Hazen, Zach Byars, Jason Bloomberg, Matt Gasswint, Travis Banard, Barry Litchfield, Mike Miller, Mark Allen, Bob Baer, Christopher James, Demetrius Phillips, Mike Baysinger, Russell Gish, Robert 'Kim' Hutchison, Sean Daly, Ryan Pitts, Phillip Menkel, Paul Cox, Tom McMahon, Eric Tavenner, James Schock, Scott Gizzie, Keith Luke, Michael Prissofski, Grea Claussen, Jason Chapman, Chris Goettinger, Jens Erp, Matt Oetting, Mike Kirn, Matt Roberds, Bill Dean, Chris Sherman, Trey Boley, Tim Lucas, Dennis Robb, Mike Riley, Dave Baquette, Adam Rose, John Cash, David MichelNot Pictured - Dan Smith, Tony Phillips, Ali Elahi, Clay Cooper, Brian Nelson, Dyrk Huffman, Rob Bartel, David 'Doc' Edwards, Marvin Fuller, Jeremy Martens, Rajabrata Chauderl, Matt Vandergriff, Steve Lang, Jon Whitmer, Kevin Sabacky, William Allen, Keith Blackford, Dennis 'Ming' Leong, Joseph Counsberry, Brian Broekemeier, Joshua Howard, Matt Taylor, Mike Koch, Rodrigo Aburto, Jeff Schoby, Phillip Steinmetz, Jarrod Stockman

Six North

Six North is one of the largest residence floors on campus. Many of which participated in activities and received awards for the school year. Our activities were: organizing classes for CPR certification; softball and basketball games; a hay-ride and wiener roast; and a dance for the entire residence hall. We also received the award for most outstanding residence hall floor for fall semester '92 and our resident assistant, Tracy Gach, was chosen as most outstanding R.A.

Front Row - Brook Damon, Randy Ritzen, Wayne Hurt, Chris Johnston Second Row - Dan de la Fuente, Travis White, Joel Mikelionsis, Brian Repke, Joe Cushman, Carl Pinkert, Brett Frankenberger, Bob Ribbing Third Row - Wayn Herbert, Pete Schoenarts, Joe O'Flaherty, Dan Troesser, Steve Abraham, Tom Alleman, Dennis Lawson Fourth Row - John Falk, Todd Moore, Matt Berndt, Andy LeCren, Jeff Schroeder, Ryan Purkey, T. J. Eaton, Rick Burkemper, Kurt Meister, Will Scott, Rob Ward, Lonny Boring, John Reynolds Fifth Row - Erik Komers, Kirk Meinershagen, Matt Sander, Greg Kuntz, Bill Ruprecht, J. R. Grohs, Hason Trussell, Hason Cummins, Bob Payne, Kevin Beutelman Sixth Row - Scott worden, Tom Klierthmes, Brandon Keith

Seven North

Seven North, led by their fearless R. A. Jeff Schroeder, the men of Seven have been involved in basketball, softball, ultimate frisbee, and paint pellet wars. They've also participated in: T. J.'s Sexy Legs contest (and won), Boose Bowl, Penny Mile, the Ill-Fated Miss T. J. Pagent, Intramural Basketball, College Bowl, and a variety of other activities. The floor is renowned for its Movie Nights, Interesting Murals, Computer games, and of course it's slacking.

Front Row - Michelle Miller, Andrea Phillips, Kelly Sink, Ann Chartrond, Amy Rogers, Gina Hurst Kelly Thompson Second Row - Angie Urbanc, Mary Grimm, Cathy Edwards, Laurie Wilman, Tora Jenings, Jeni Wright, Amy Yaiser, Claire Sevier

Two South

Front row: Melissa Cook, Alisa Derryberry, Kristi Lynn, Kim Benson, Julie Anderson, Kristen Stork. Back row: Mindy Richardson, Mysty Johnson, Sandy Eftink (RA), Angela Greene, Willetta Fitzpatrick, Frances Hilding, Mary Frank, Kristen Templet, Christy Worrell, Kendra Bowen.

Three South

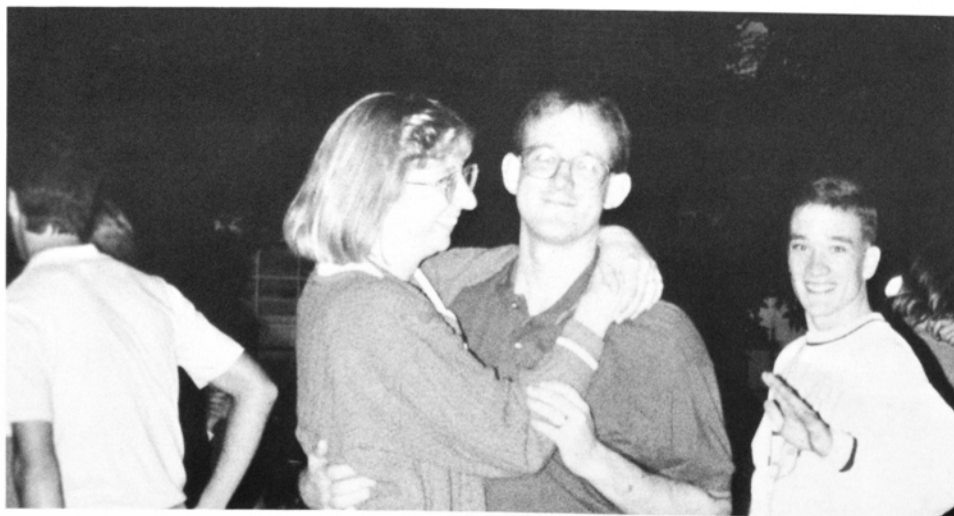

The Ladies of 3 South have participated in a variety of activities this year. A shopping trip to Osage Beach, a trick-or-treat excursion on 11 South, a roller skating party, and a picnic at Lane Springs mark a few of their social activities. Three South was represented in the RHA fundraising 24 hour volleyball marathon. The community was also involved in several programs throughout the year, including programs for African American Awareness Month and the infamous "Sex and Popcorn".

Front row: Minh Nguyen, Rich Altman. Second row: Aaron Barnhart, Jim Dunajcik, Luca Deangelis. Third row: Tom Lohman, Jeff Potthast, Nickolas Brakensiek, Jason Gibson, Brian Lowderman, Mike Bland, Bryan Olds, Darryl Hudson, Ron Smith, Jim Matney. Back row: Jason Bonilla, Neil Bascoski, Rich Piepho, Alex Bowman.

Four South

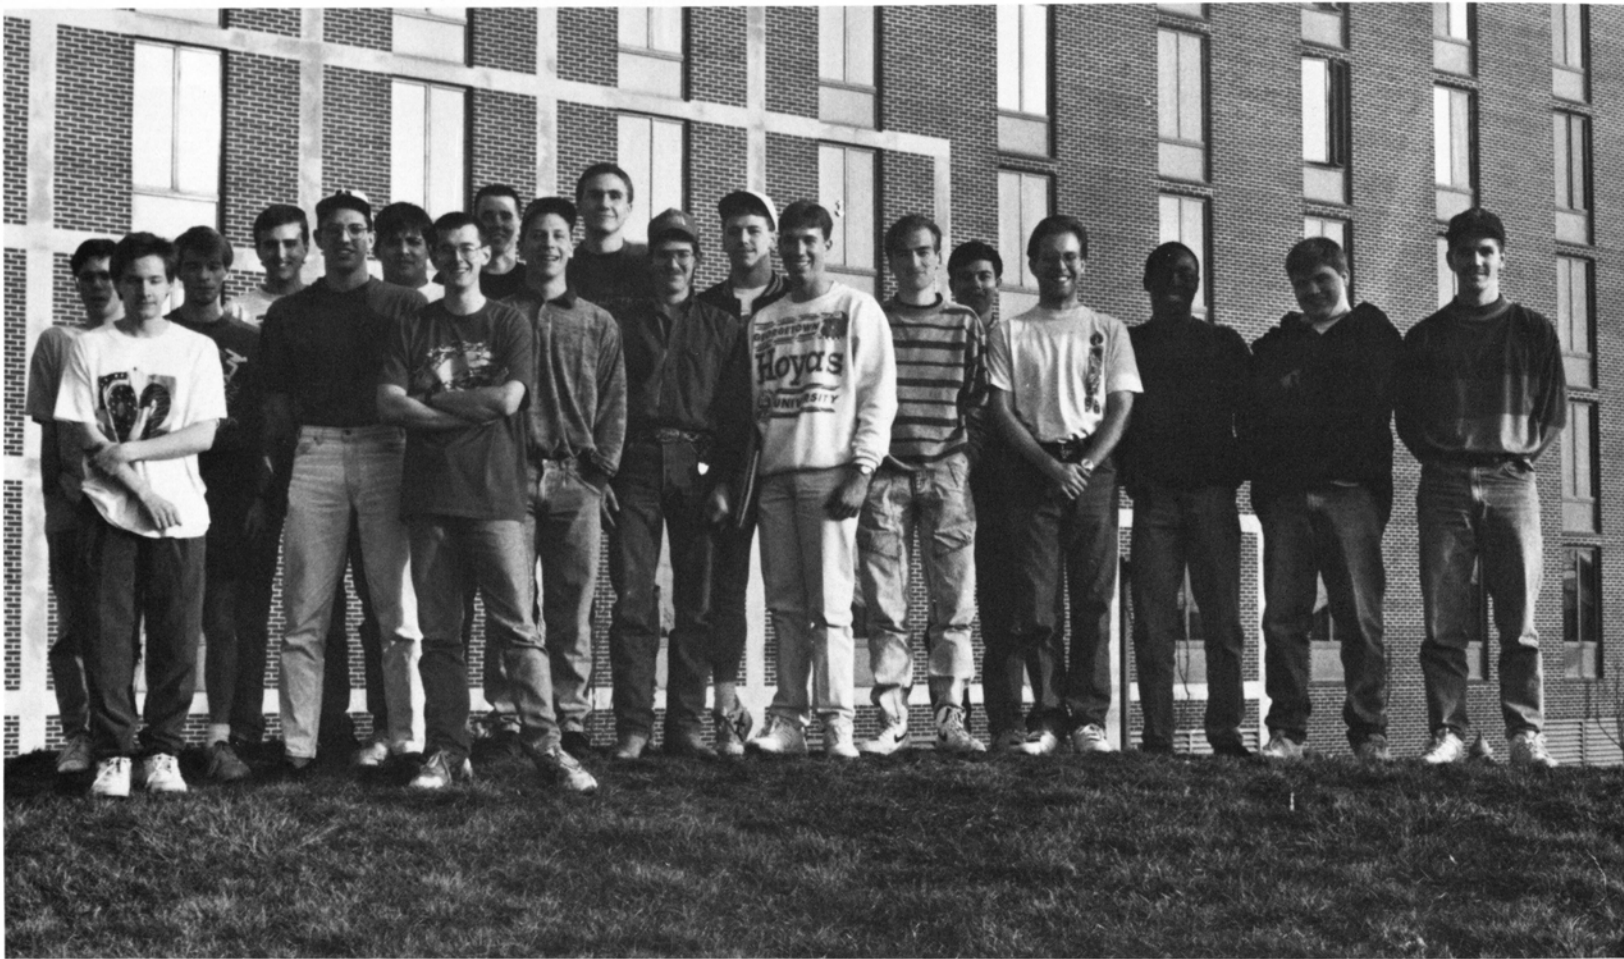

Four South's activities for the year included a trip to the Anheuser Busch Brewery, pouring aluminum castings in McNutt Hall, camping and hiking at Lane Springs, softball, and movie nights. We also participated in the Sex Bowl, 24-hour Volleyball Marathon at the Quad, and the Penny mile. The year was concluded with an end of the year pizza party. In addition to activities, several members of the floor composed two bands, and 10% of the floor found that "capture the flag" is not a game to be played on the UMR golf course.

Gregory Baugher, Ryan Howell, John Gamby, Bryan Niehaus, Bryan Snage, John Crick, James Kastler, Justin Teiken, Ron Porter, Benjamin Steger, Jeffrey Plummer, Matthew Bohls, Michael Friend, Heather Freeman, Thomas Sully, Shane Quimby, Christopher Bryant, Gregory Anderson, William Gratzler, Christopher Bristol, Matt Matthews, Ryan White, Brian Gorman, William Reed, Ronald Paul, David Renetzky, Scott Cole, Joseph Sousa, Gonzalo Amezaga, Jeff Bromberger, Eric Hirsch, Mark Goldsmith

Five South

Shawn Faulkner, Clifford Garrett, Matthew Zion, Michael Zlatic, Christopher Ryan, Jon Autrey, Matthew Schoenberg, Beau Barrett, Mark Massman, David Schmidt, Lionel Cureau, Stephen Post, Martin Vaughan, Brian Broekemeier, Thomas Rogge, John Medley, Jason Poor, Eric Triplett, John Gladbach, Kenneth Simpson, Eric Peterson, Adeniran Fajemisin, Steven Gorg, Andrew Holtzsch, Karl Beal, Teddy Standley, Rodrick Wilson, Curtis Wilson II,

Seven South

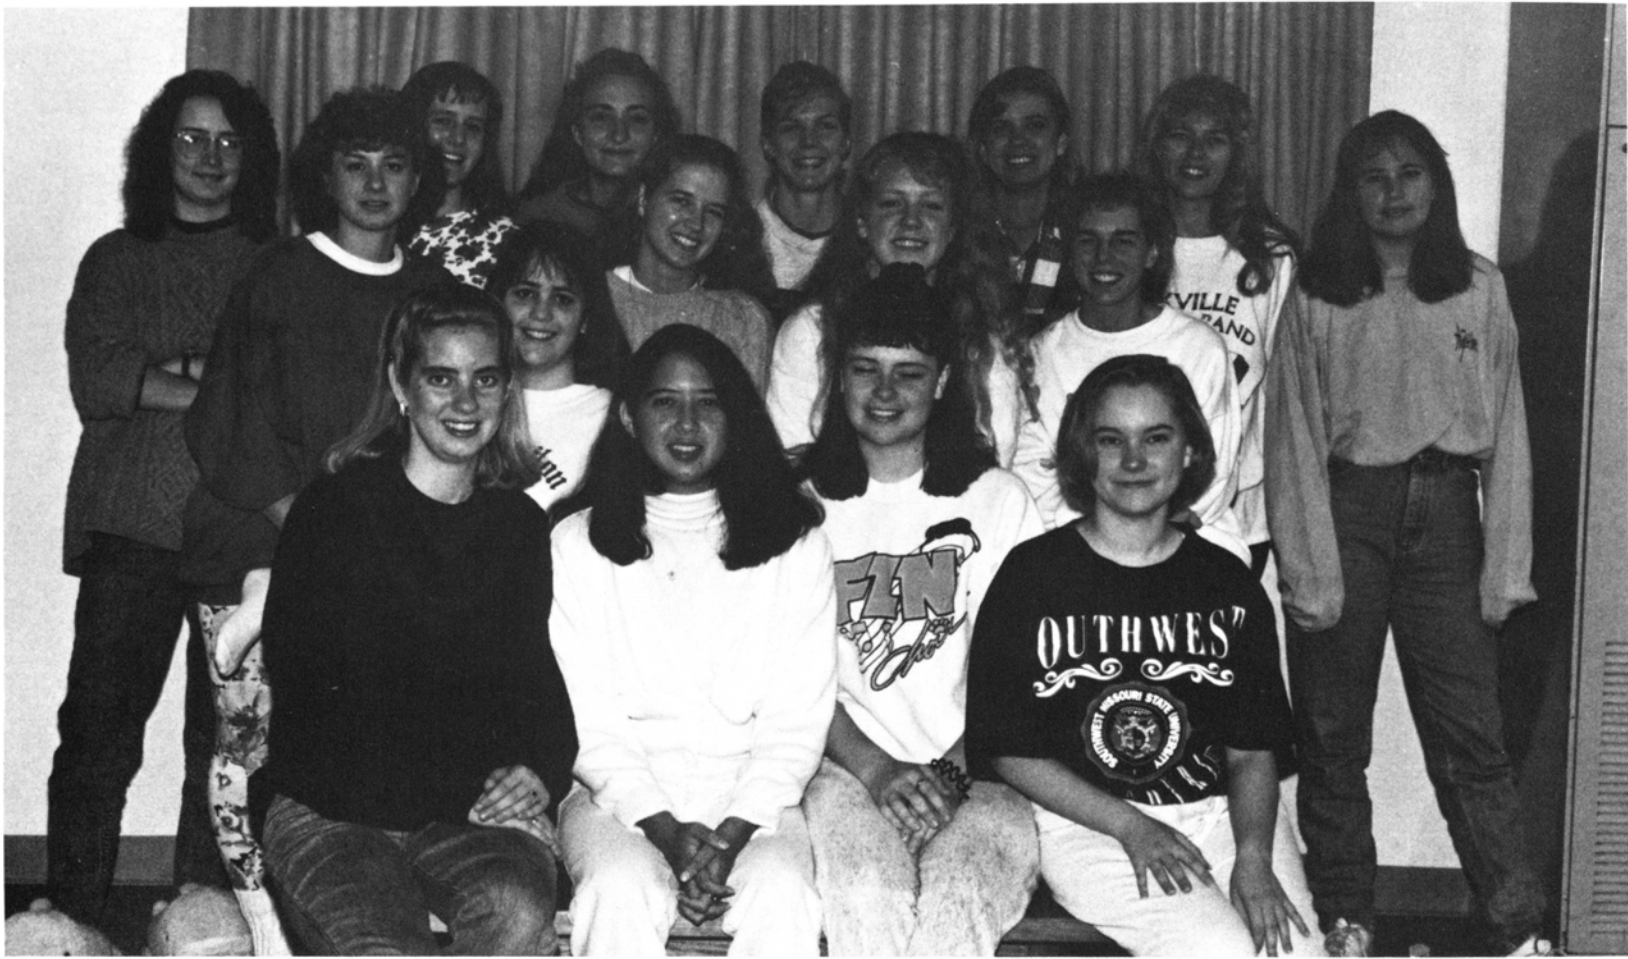

Front row: B.G. Visser, Steve Myers (RA), Fred Hopper, Todd Phillips, Bart Potts, Erik Shores, Eric Utterson. Second row: Jason Hughes, Jim Brassel, Eric Shumate, Bob Moran. Third row: Tracy Camp, George Koepp, Steve Abbott, Ryan Williams, Tim Saxe. Fourth row: Jason Burgess, Kevin Solofra, Chris Morlier, Kevin Stevenson, Eric Lund, Jason Buchek. Fifth row: James Hemrick

Eight South

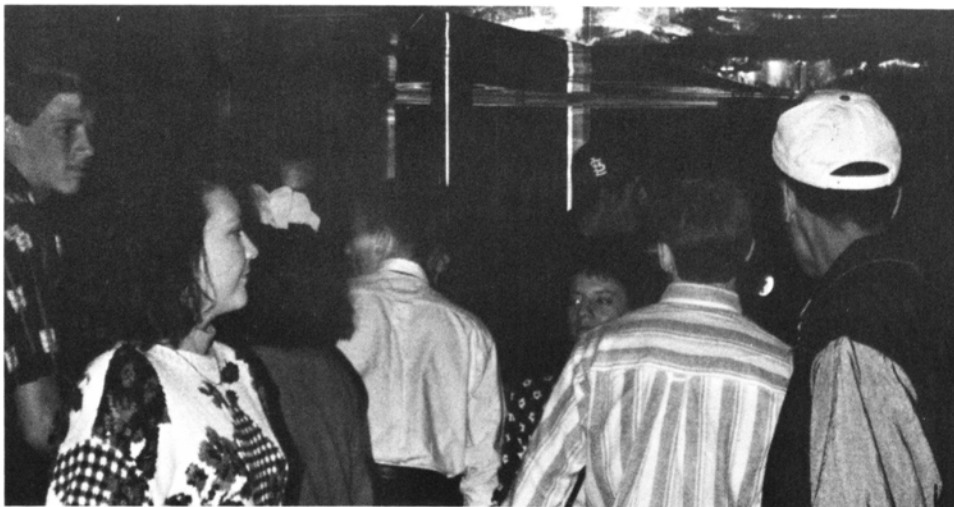

Fall 1992 and Winter 1993 were busy semesters for 8 South. Unfortunately, most of this business was due to homework. Eight South had the highest GPA in Thomas Jefferson Hall. Stress relieving activities included Ultimate Frisbee in which they were never defeated, softball, and floor picnics.

Front row: Natalie Dixon, Katherine Gregory, Bridgette Ganley, Christy Hargrove. Second row: Brooke Duckering, Debbie Archibald, Laura Clemenson, Jennifer Marshall, Lisa Madison. Back row: Shanna Carmichael, Karen Klemme, Sarah Hummel, Gina Turner, Lisa Edwards, Jamie Meyers, Renee Stuecken. Not pictured: Kim Schumer, Amanda McBane, Valarie Osborn, Angie Swiney, Patti Wright, Kara Wagner, Kara Kruegger, Christy Schaeffer, Leah Hoffman, Melissa Fox, Denise Ling, Mary Wadlow, Heather Shearer, Donna Joaquim. and Tabitha Brown

Nine South

Nine South was voted "Floor of the Year" by TJHA this year. The residents of 9 South were active in the women's intramural program; and sponsored the Trick-or-Treat at TJ night for area children, voted best program of the semester. Other floor activities included a non-alcoholic room-to-room party, a trip to St. Louis, a 'porch' party, and several movie nights. The 9 South women won the floor mural contest when they turned their TV lounge into a family room by painting wallpaper, bookshelves, and a grandfather clock.

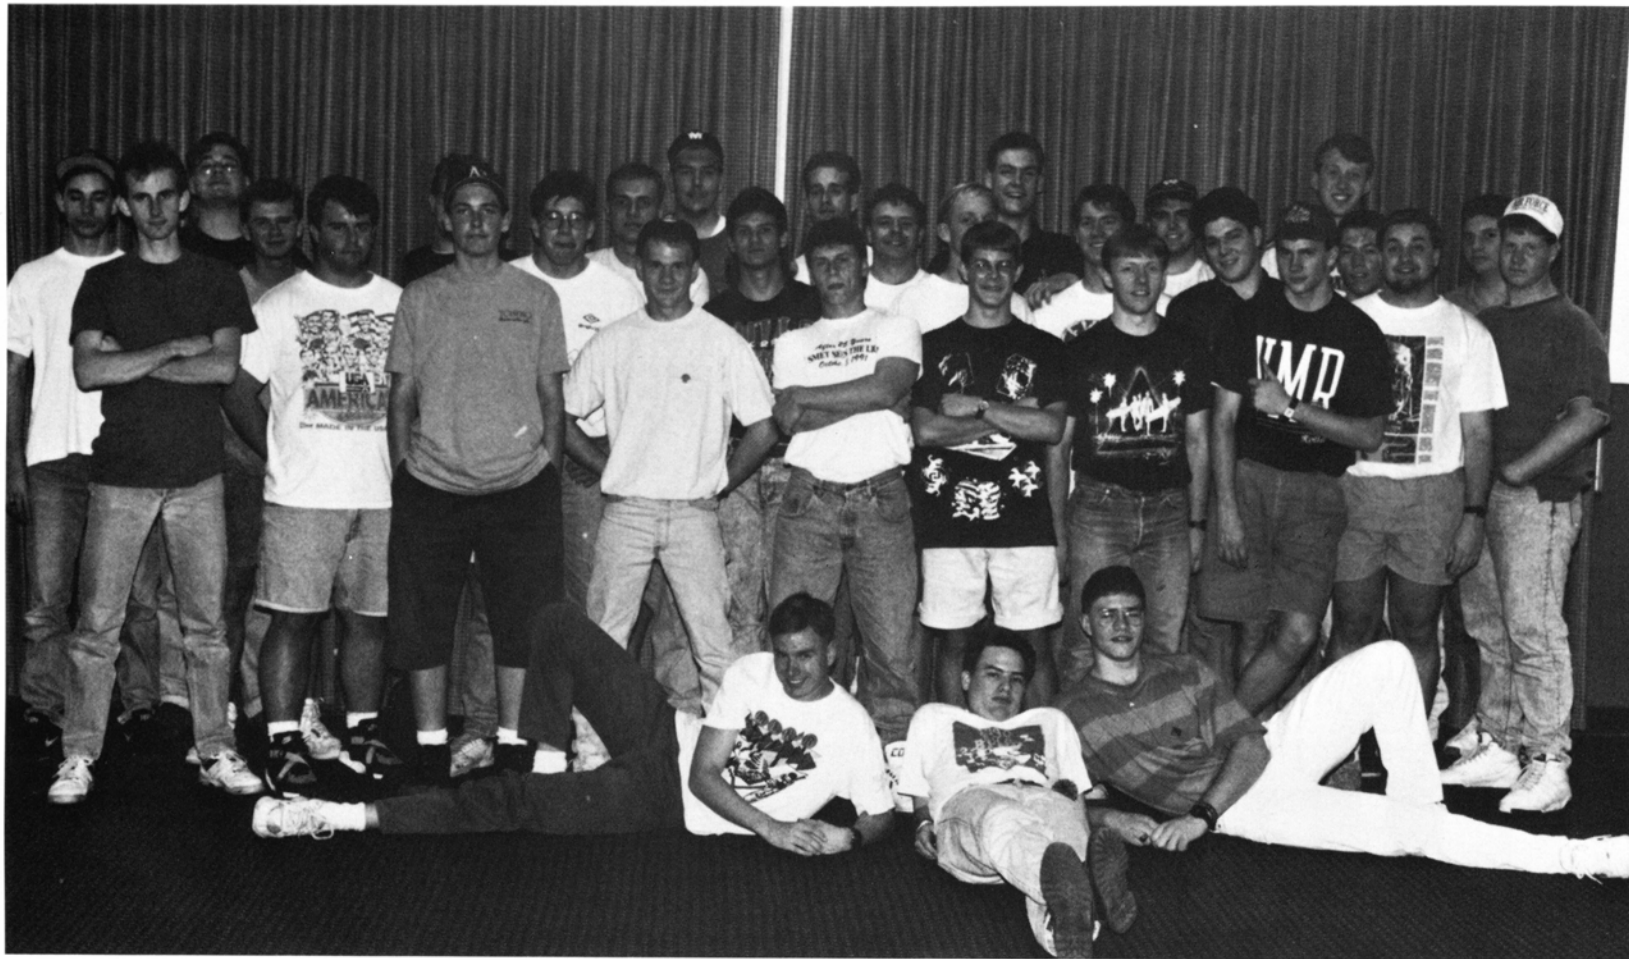

Greg Pool, Jason Cassibry, Jason Jones, Mark Repetto, Joseph Miller, Bijan Khazai, Mark Rages, David Graham, Chris Lammert, Steven Frank, Jacob Wang, Jason Bryan, Noel Ludwick, Michael Thompson, Kim Petrie, Michael Venegoni (RA), Shawn O'Donnell, Jeremy Green, Bradley Lind, Manuel Arjona, Byron Yeung, Matthew Ballard, James Cain, Sean Fears (not pictured) Jason Hoerner, Todd Hartman, Ziad Diaz, Sean Teltelbaum, Benjamin Eldred, Christopher Grove (not pictured) Toriano Tayler, Jim Arrowsmith.

Ten South

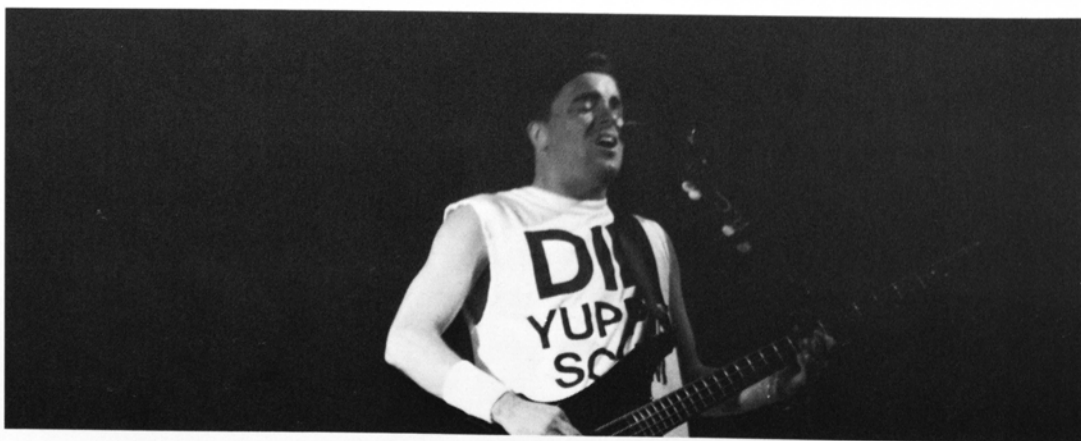

Ten South had an outstanding year filled with numerous activities including weekly movie nights with 2 South, two canoe trips, and picnics at Lane Springs. Ten South also was undefeated at softball and paint pellets.

First row-Rick Lowson, Jeff Winslow, Dempsey Rollins, Rick Pardun, Jeff Schroeder, Ryan Stough, Justin Apperson-R.A. Second row-Doug Wilson, Matt Selph, Scott Smith, Shawn Kebel, Eric Clinton, Bryee Meyer, Doug Preis. Third row-Jeff Ewens, Don Richards, Jason Canon, Mark Lansberry, Robb Williams, Bob Sullivan. Fourt row-Darrin Koepke, Karl Gerhardt, Eric Steidl. Not pictured-Kent Householder, Mark Politowski, Michael Johnson, Jay Doster.

Eleven South

Wael Arabi-Katbi, Kevin Hollander, Wynn Hall, Paul Baudendistel, James Blase, Sarah Young, Jennifer Shryer, Amy Katschman, Dionne Roberts, Shannon Dettmer, Nancy Lambertson, Jessica Barnett, Tonya Karnowski, Emily Gordon, Amy Kozlowicz, Amy Lee, Lisa Webb, Heather Wells, Lorie White, Lisa Cutler, Theresa Hanks, Alicia Chance, Tara Schaeffer, Jian Ding, Jennifer Marks, Cara Saling, Amy Jensen, Rafael Millangue, John Torbit Jr., Philip Littlefield, Michael Reimer, Karsten Sommerhauser, Daniel Petrovich, Scott Chambers, Russell Brooks, Osama Arabi-Katbi, Nathan Wade, Andrew Bachle, Matthew Williams, Jason Kindle, Malcolm Hays, Michael de Stefane, Lawrence Cook III, Mark Hughes, Omar Metwalli, Julio Garcia, Steven Davis, Douglas Howard, Carl Berkelman IV, Charles Myers, Peter Bachle, Christopher Taylor, Joshua Markell, Alfred Cureau Jr., Timothy Zuroweste, Scott Barber, Steven Getz, Matthew Groves, Thomas Bumgardner II, Jason Helmke, Robert Hormell, Steven Birkholz, Michael Riley, Brian Edgar, Kevin Spindler, Howard Thomas, Michael Marstall, Joseph Szabo, Jawsheng Chu, Karl Neville, Eric Heien, Gary Sydnor II, Richard Petitt Jr.

Thomas Jefferson Hall Association

Residence Hall Association

Interfraternity Council

Panhellenic

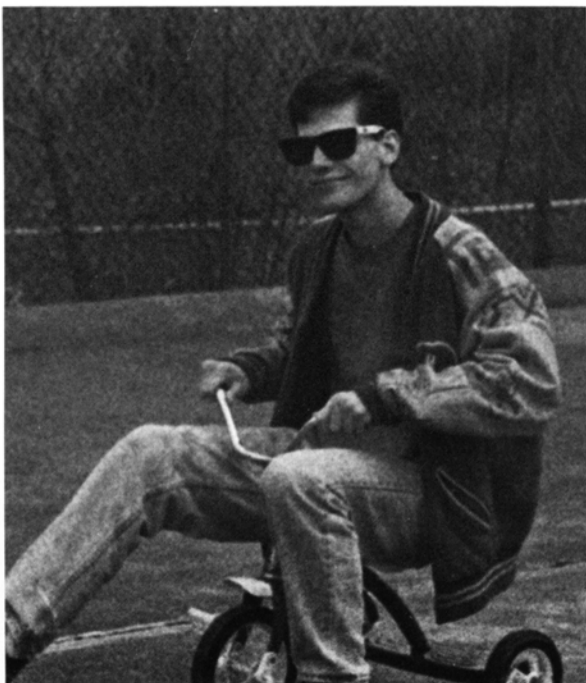

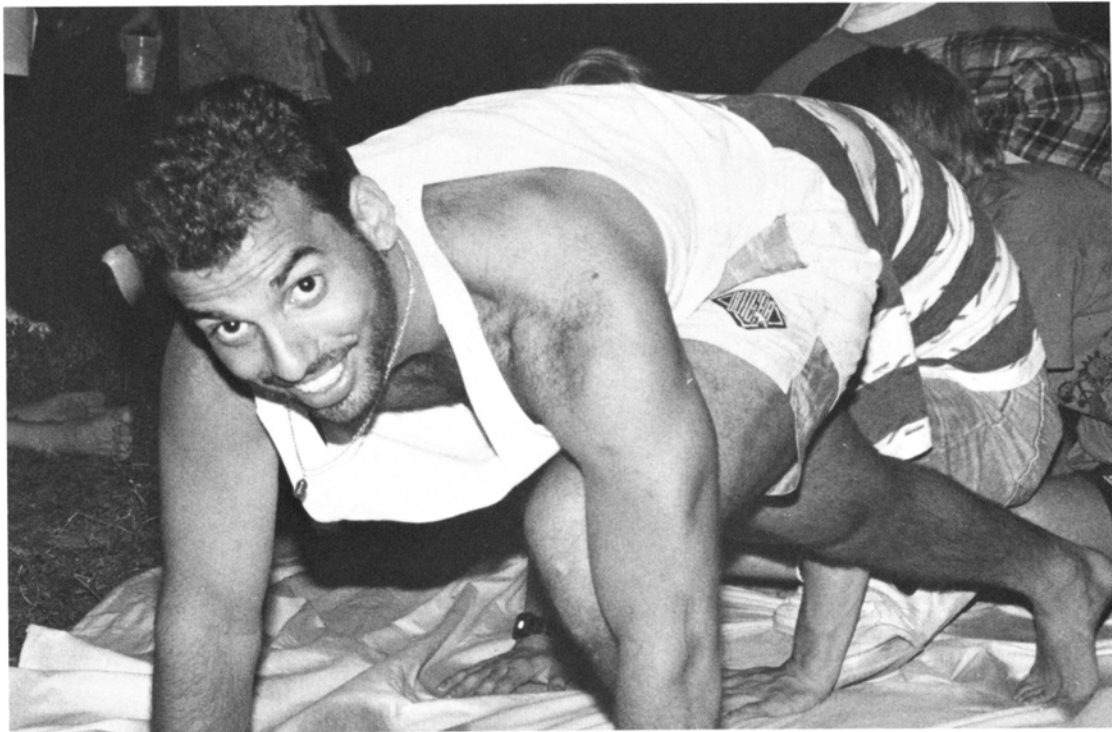

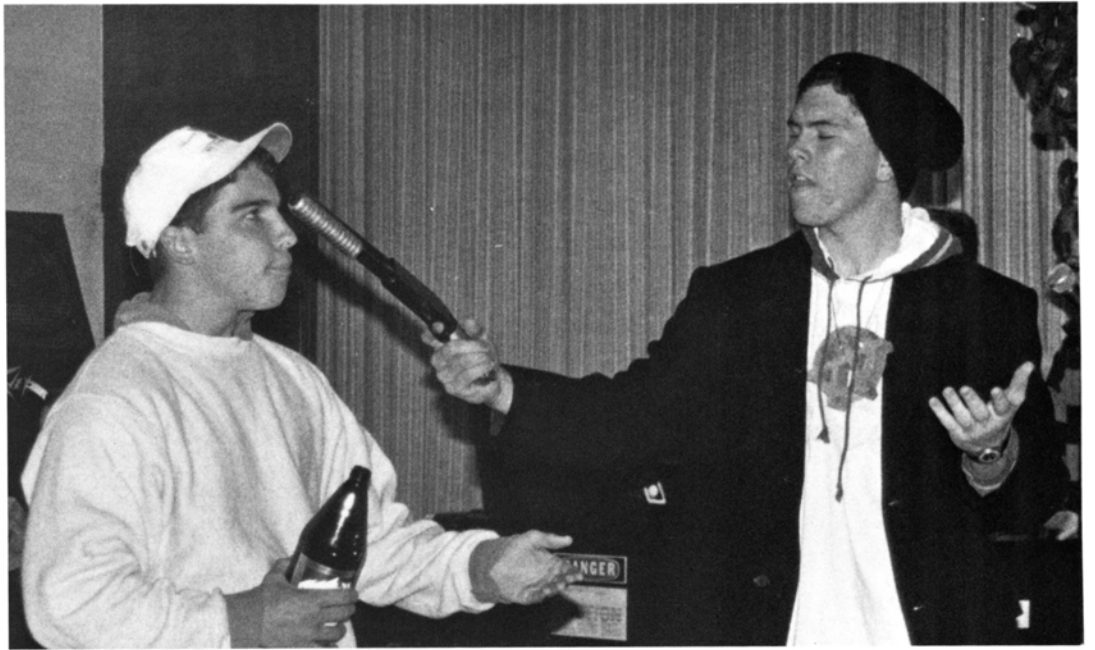

The UMR Panhellenic Association was hard at work this year coordinating rush and its many other activities. Panhellenic was delighted with the new addition of Delta Sigma Theta as our newest campus recognized sorority. Many hours were spent this year revising and reorganizing rush. We've made a lot of changes and are expecting a very successful formal rush. We kept up good sorority and fraternity relations by hosting an all Greek spades tournament, sorority night at a MINERS basketball game, a Halloween Fright Night party with Sigma Phi Epsilon, an annual pledge dance, an IFC vs. Panhellenic softball game, UMR phone-a-thons, and much more. We co-sponsored several seminars on issues that concern women for Women's Issues Month in March, and worked hard in conjunction with IFC to make this year's Greek Sing and Greek Week a success.

Fraternities and Sororities play an integral part in the social life of many students at UMR. Greek Week is the one time a year where Greeks celebrate being Greek. Like the Olympics held by ancient Athenians, Greek Week is held in the Spring and revolves around a set of fun-filled contests. An important part of the ancient Olympics was the celebration of life that was held while the athletes competed. In the same spirit, many fraternities and sororities hold parties in anticipation of a visit from the Greek Week Godz.

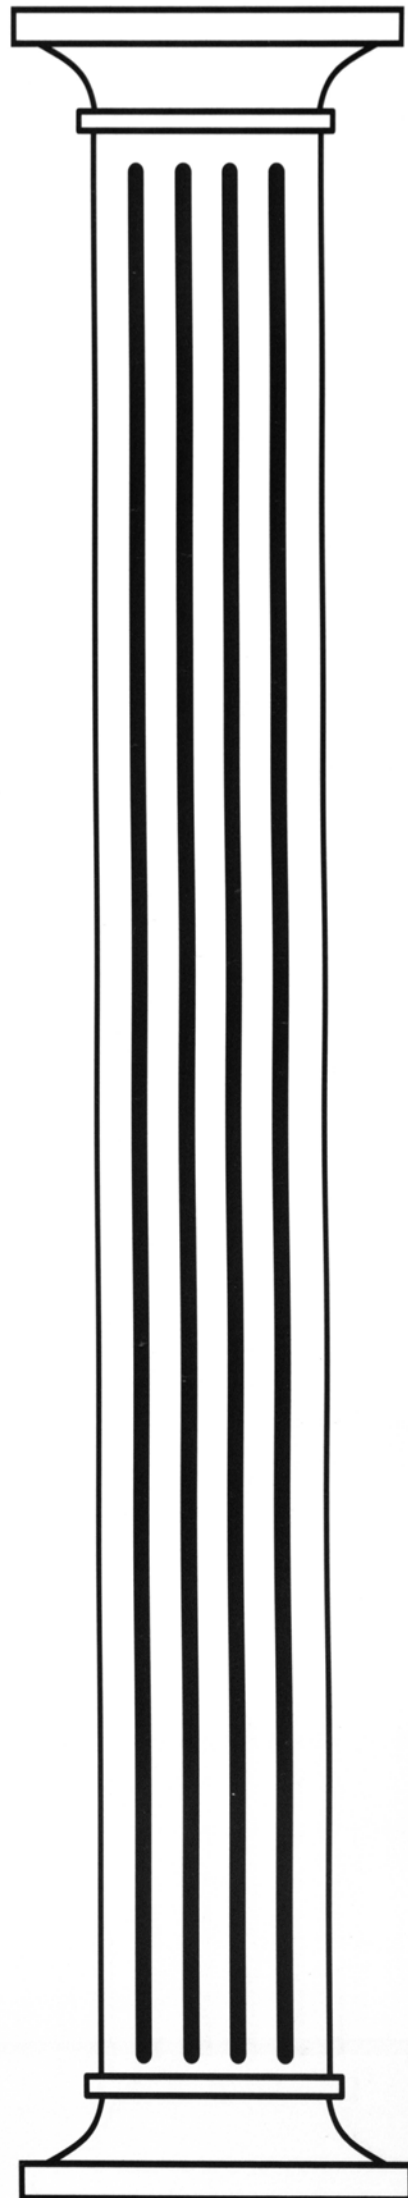

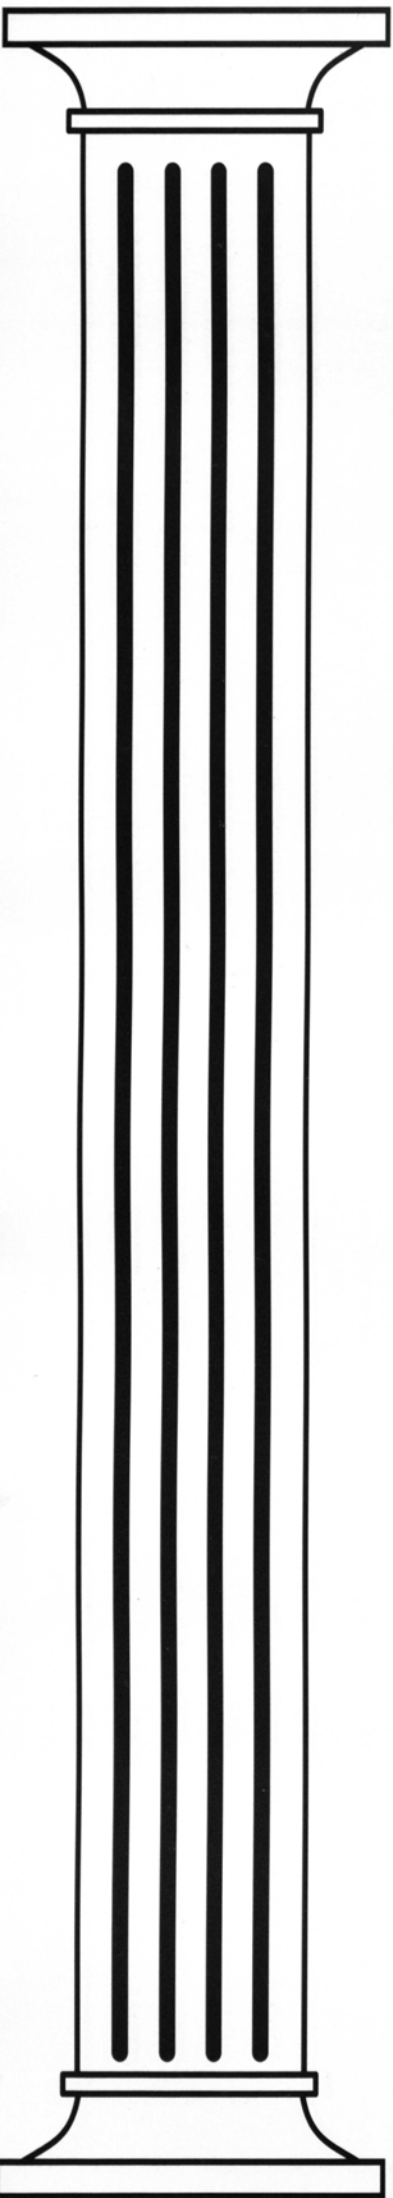

G R E E K W E E K

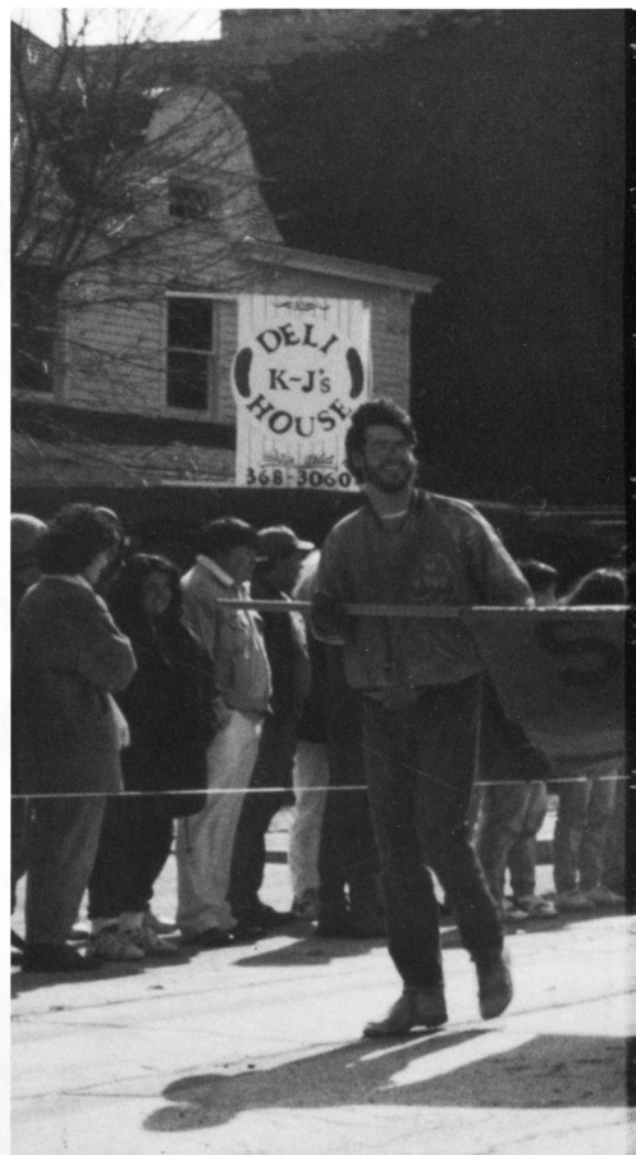

Q u e e n s

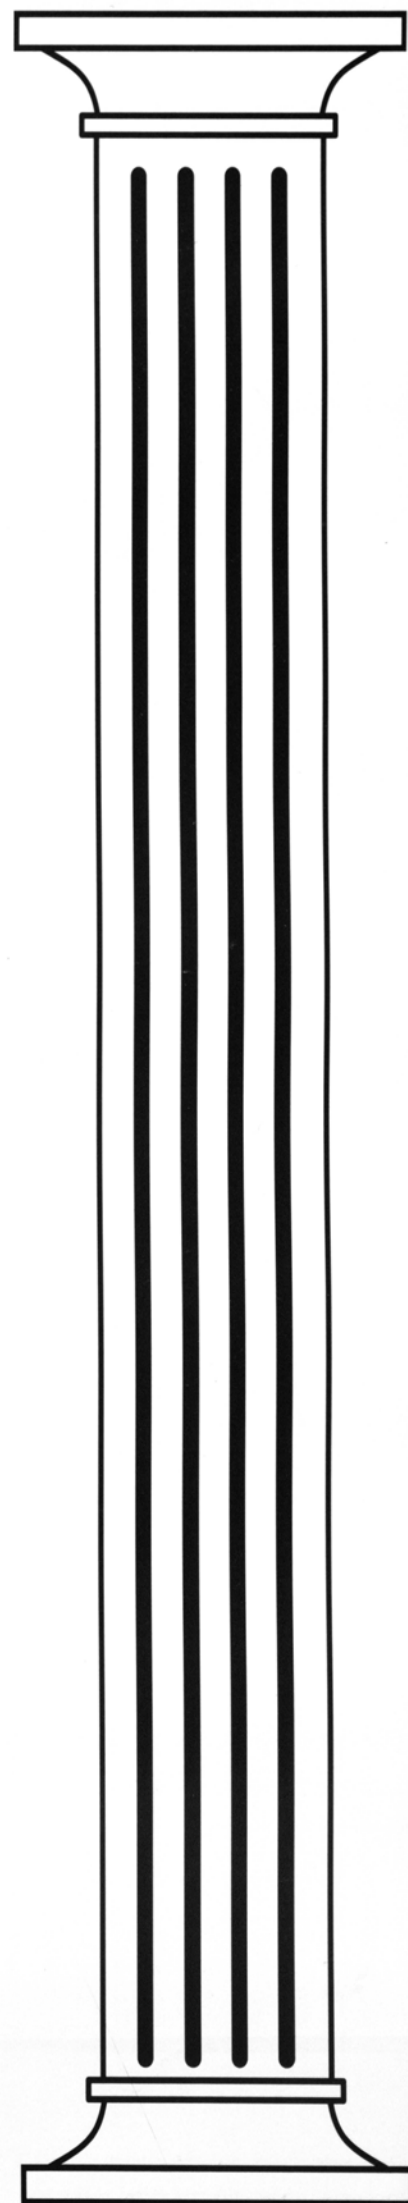

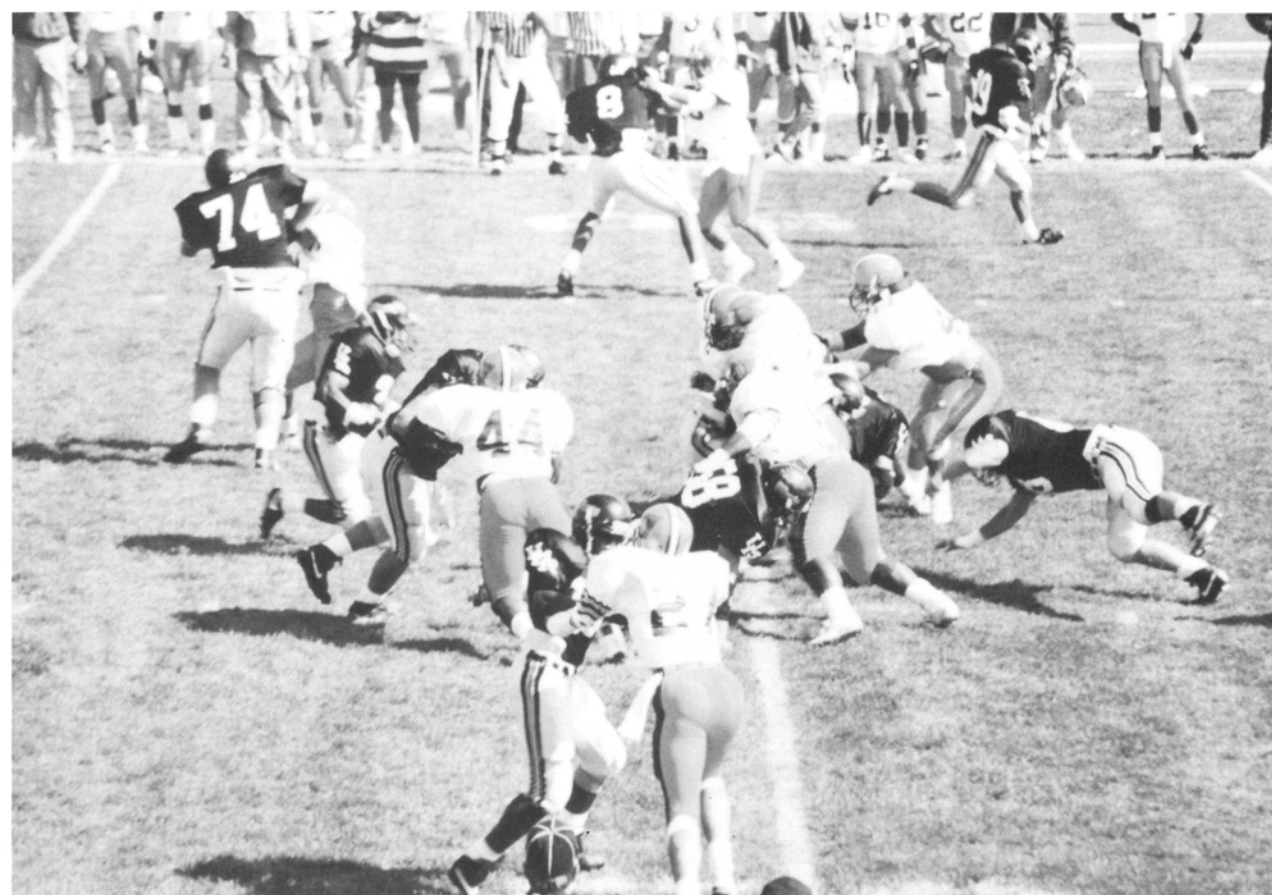

The Queens competition is one of the most feircely contested races during all of Greek Week. After nominations and interviews the candidates attempt to persuade the judges (who happen to be the Godz) to vote for them.

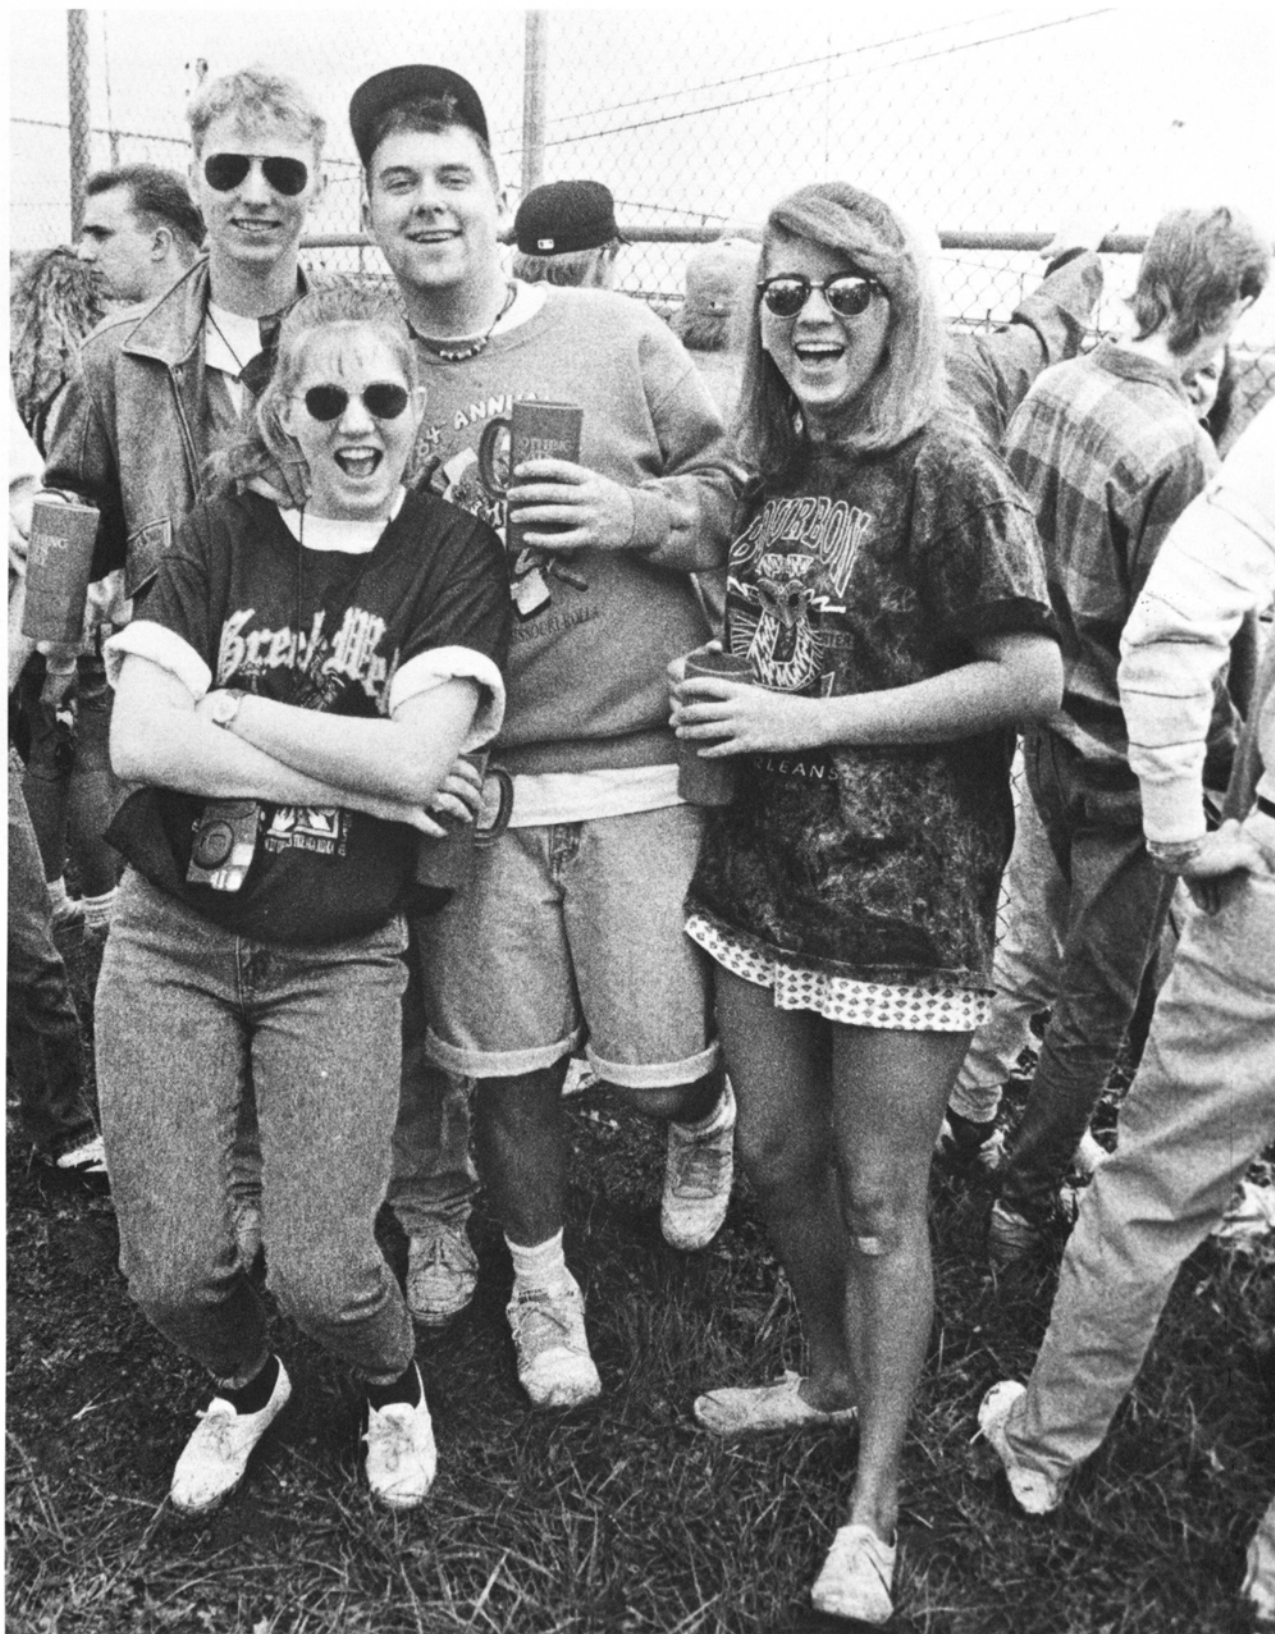

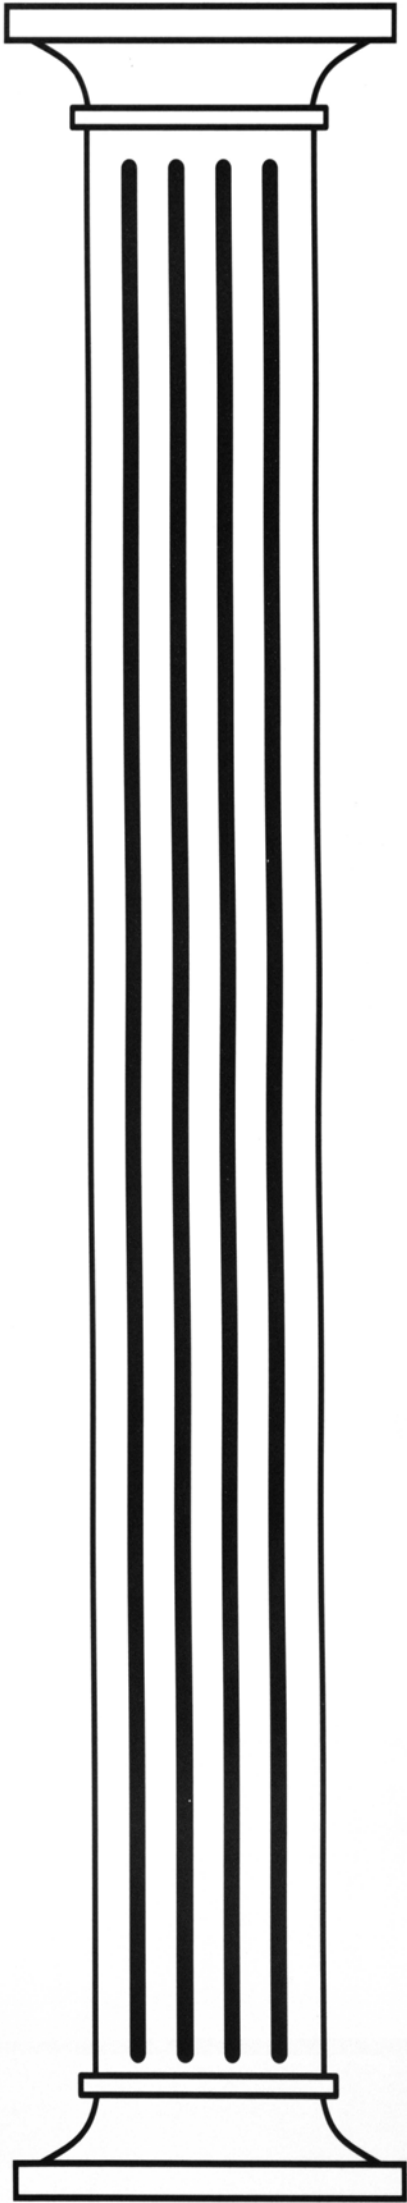

It is easy to see that Greeks are involved in nearly every aspect of campus life. Many occupy positions on the St. Pat's Committee which works hard every year to prepare UMR for its best known celebration. Others play one or more of the many sports available at UMR. Football is a good example of Greek involvement. Some serve in a more official capacity by being one of UMR's Student Ambassadors.

As you can see, being a member of a fraternity or sorority is not all work, no play. There are plenty of opportunities to take a well-deserved break from the Rolla routine. Greek Week and Homecoming provide much needed time to socialize with friends.

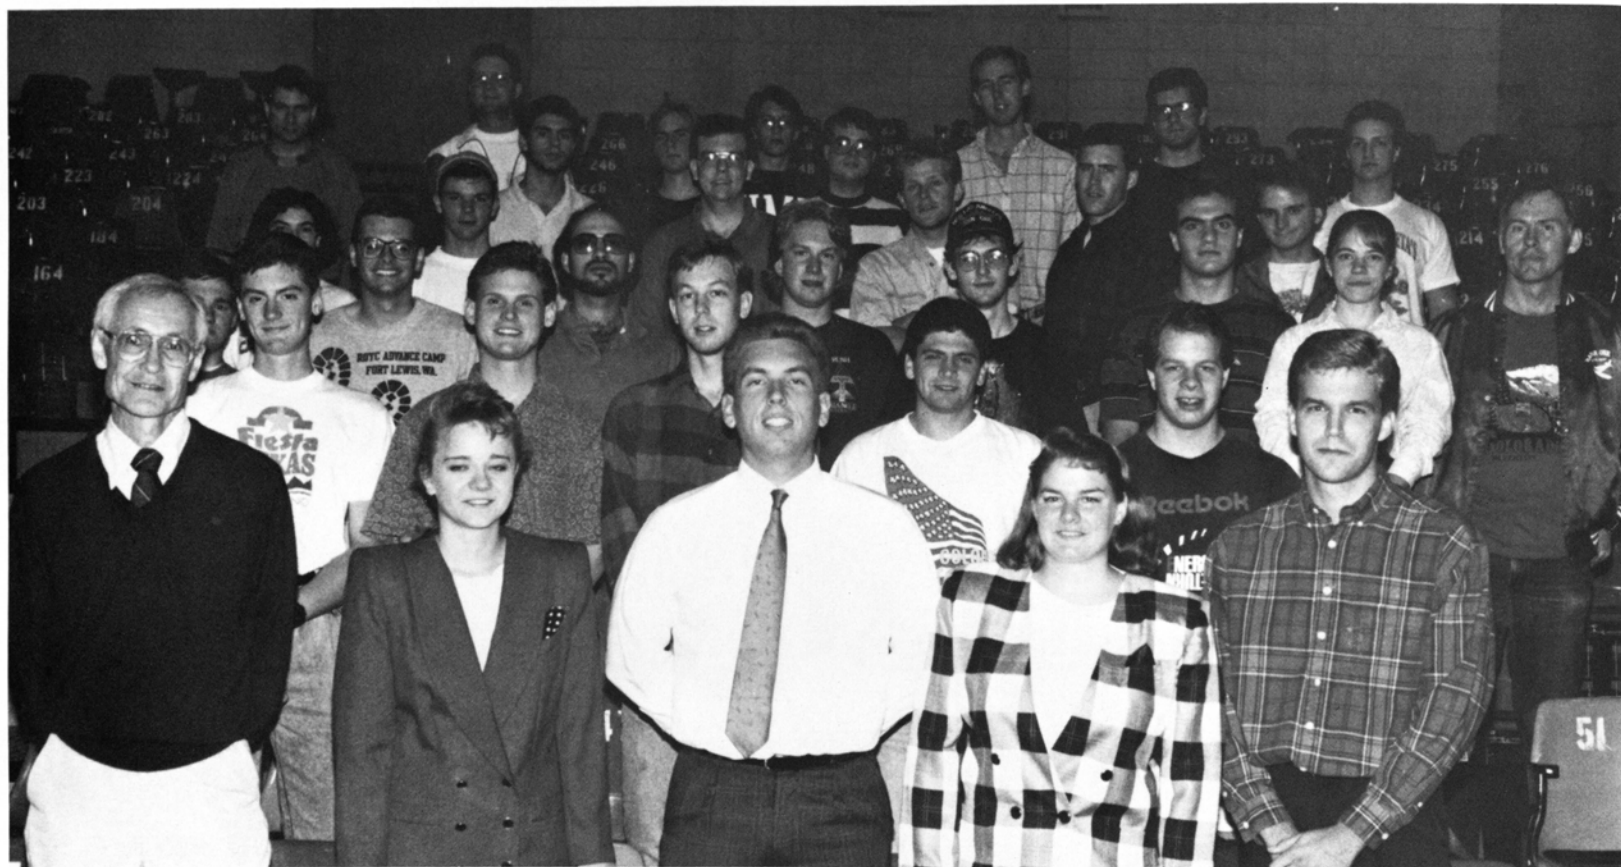

Organizations

The Other Side

The UMR AIAA Student Chapter was involved in various activities throughout the school year. In the Fall semester we participated in the Phone-a-thon for the Aerospace Engineering Department. We also organized our annual picnic and participated in the Open House held for prospective UMR students. During the Spring semester, we helped with the Boy Scout Merit Badge Day, helping a group of scouts to receive their merit badge in aviation. The year also featured some great guest speakers. Among them were Jim Sullivan, a retired SR-71 pilot, Dr. David Riggins on the national Aerospace Plane, and Tim Bonds on Hypersonic Vehicle Design.

AIAA Officers:

Fall 1992:

Clint Thessen, Chairman
Patricia Foster, Vice-Chairman
Laura Koenig, Secretary
Robert Stone, Treasurer

Spring 1993:

Clint Thessen, Chairman
Holly Berendzen, Vice-Chairman
Dane Drefke, Secretary
Aaron Laws, Treasurer

Advisor: Dr. H.F. Nelson

Greene (treasurer), Daniel Eldridge (vice-president elect)

Amnesty International

ASHRAE

Amnesty International members: Back row: Becky Christenfield, Aaron Barnhart, Laura Suttan, Jason Bucheck; First row: Michelle Eslinger (vice-president), Robyn Litle (president), Chu-Chin

Last year, Amnesty International had bimonthly meetings in which they discussed human rights issues. They also participated in writing letters on behalf of Prisoner's of Conscience. The years activities included painting the TJ tunnel and thereby winning first place in the contest. We also co-sponsored several meetings with the Rolla Peace Issues Group, and we had several petition signing days on campus.

ASEM members: Back row: Ahmed

Mustahad, Brett Felton, Carl Biondo; 3rd row: John Yukich, Erik Barnhill, Joe Skeeters, Will Scott, Brent Fullerton, Kevin Wall, Elizabeth Broyles, Andrea Budnik; 2nd row: Sarah Tenney, Mike Sebourn, Amy Henke, Mark Moreland, Chad Dacus, Dave Masterson, Sarah Blunt, Krissy Kluz; Front row: Scott David, Jason Hudson, Kory Pace, Barclay Nothaus, Jeff Burner, Erica Dunning

ASEM presents guest speakers to discuss the current practices in engineering management and introduces its members to corporate practices in the management field. The ASEM also organizes social events during which students and professors can have fun and get acquainted.

Baptist Student Union

The Baptist Student Union (BSU) is an organization of Christian students primarily of the Baptist denomination. However, anyone, no matter what religious preference, is welcome to join. Weekly activities include bible study, choir, prayer lunches, and a worship service. Periodically, additional activities such as dinners and fellowships are held. Many members participate in a mission trip over spring break, as well as in other

mission projects throughout the year. The BSU is also active in UMR's intramural sports. All BSU activities take place at the Baptist Student Center, 610 W. 10th Street. The building is open daily and offers a study room, t.v. lounge, pool, and ping pong. For more information call the Baptist Student Union at 364-3354.

BSU members: Back row: Allan Meredith, Roger Younger, Mike Hill, Brandon Keith; Fourth row: Danielle Miller, Tricia Miller, Scott Volner, Eric Clinton, Randy Barton, Sarah Young; Third row: Rob Weirich, Dan Smith, Michele Keith, Jeff Winters; Second row: John Spitzmiller, Brad Hoppe, Linda Lashley, Robyn Litle, April Peterson, Luke Peterson; First row: Ronald Platz, Koby Smith, Jeff Jamison, Brent Massey, John Dillingham, Jim Ockers, Rick Lawson

Chi Epsilon

Blue Sabres

Blue Sabres is a distinguished military organization that serves as the color guard for DET 442, UMR, and the Rolla community. In addition to being a color guard, Blue Sabres also functions as a drill team and sabre detail. Being a member of Blue Sabres instills discipline, followership, leadership and team spirit. Since its first semester (Fall 1989), Blue Sabres has distinguished itself as a model of professionalism by presenting a drill

exhibition, serving as a color guard and 21 gun salute detail for local churches on Veterans' Day, and serving as a color guard for the statewide MIA/POW Awareness Ceremony in Jefferson City during the Fall semester. Blue Sabres can be summed up by our motto, "It is not permitted for us to be mediocre."

Blue Sabres members: Back row: Marty Vaughan, Derek Meyer, Garry Hasse, Kevin Grant; Front row: Chris Kunz, Shelly Garey, Steve Lynchard, Jeff Black

College Republicans

Christian Campus Fellowship

Chi Alpha

Chi Alpha Christian Fellowship is a student run campus ministry who's goals are to provide an atmosphere in which students can worship God freely and to provide an opportunity for students to socialize. Our activities for this year included a float trip, Christmas and many other parties, a trip to Elephant Rocks, a Tie-Dye Party, and an End-of-the-year Bonfire. We have weekly meetings where we have singing, worship, Bible Study, and prayer.

Chi Alpha members: Back row: Chris Bowen, Bill Knickmeyer, Phil Allen, James Malikowski, Wade Schott; 2nd row: John Hester, John Crick, Shawn Crane, Matt Bowman; Front row: Mark Allen, Laurie Croslin, Kristi Smith, Laura Quick, Robb Best; Not pictured: Cara Crocker, John Jones, Steve Denney, Mike Stewart, Lisa Akley, Doc Edwards

Down to Earth

Down to Earth members: Back row: Scott Werner, Steve Fett, Bob Bohnak, Jay Kladiva, Cherin Karis, Steve Lair, Greg Lea, Scott Bell; Front row: Becky Wilson, Mike Pauli, Travis Dunnington, Nancy Neill; Not pictured: Harry Brown (advisor), Tim Carr, Travis Helms, Dusty Kerr, Lisa Molner, Jim Ockers, Chuck Petit, Andrea Phillips, Michelle Shafer, Kelly Sink, Jessica Thomas, Laura Visintine, Kevin Wilson

Down to Earth is UMR's environmental organization. Our main objective is to promote environmental protection and to enhance environmental concerns of students at UMR. In the 1992-1993 school year Down to Earth promoted environmental awareness through Adopt-A-Highway and Stream Team cleanups, hosting a guest speaker once a month, placing cans for disposing aluminum at the University Center, and sponsoring Earth Day. Down to Earth's fundraiser to sponsor the Earth Day Celebration was city cup stickers. The city cup sticker

may be placed on a reusable plastic cup to receive discounts on soft drinks while reducing the amount of waste headed for landfills due to fast food disposable cups. Keep a look out for more environmental awareness programs in the coming years.

Gaming Association

Gaming Association members: Back row: Sam Groves, Carl Beal, Jason Kindle, Sean Tietelbaum, Jason Williams (treasurer), Tom Bumgardner (president), Chris Taylor, Chris Hemme, Omar Metwalli, Richard Sidwell; Front row: Mike Belrose, Gary Schaper (secretary), Gary Gygax, John Powers, Julio Garcia, Malcolm Hays, Damir Woods, Tim Parker

Cycling Club

Cycling Club members: Back row: Rob Ruff, Mike Pauli, Rick Ashabranner, Paul Majors, John Lotz, Jeff Marx, Steve Curran, Pete Zimmerman, Kirk Palicki, Brian Hunnius, Brian Howard; Front row: Chris Barnett, Tom Erb, Scott Reynolds, Jim Ward, Roger Protzman

Goldminers

Goldminer members: Back row: Sarah Banks, Jennifer Marks, Natalie Dixon, Bridgette Ganley, Amanda McBane; 2nd row: Theresa Hanks, Jodie Courtin, Angie Gambill, Andrea Sebaugh, Jessie Barnett; Front row: Lisa Cutler, Jami Frenkel, Marites de los Santos, Linda Starbuck; Not pictured: Christy Land, Julie Schambach, Jacquie King

The 1992-93 UMR Goldminer dance and pom pon organization entertained the crowd during half-time performances at all home football games and five home basketball games. In addition, the Goldminers performed to the UMR fight song in pre-game activities. During the Fall 1992 semester the squad consisted of fourteen members with Julie Schambach as captain and Jacquie King as co-captain. When both Schambach and King graduated in December the squad elected Linda Starbuck as captain and Jodie Courtin as co-captain. The Goldminers accumulated three new members when they held tryouts in January, bringing the squad total to fifteen. In order to make the squad the members learned a dance routine and a routine to the UMR

fight song. The members of the squad scheduled practices twice a week for an hour and a half each practice and held additional practices the week before performances. Brand new black with gold sequin uniforms and poms added a professional touch to the two year old organization. On May 1, the Goldminers used their talents to raise money for their organization by holding a dance clinic for children ages four to fifteen. The Goldminers are looking forward to next year.

HELIX Life Science Club

Hang Gliding Club

Hang Gliding Club members: Gokhan Inanc, Michael Monterastelli, Becky Chrisfield

The primary purpose of the Hang Gliding Club is to promote safe, foot launched, powerless flight. The club takes trips to various sights where they receive expert training from licensed instructors. The Hang Gliding Club has weekly meetings where all UMR students are welcome.

India Association

History Club

India Association members: Back row: Dr. Romesh C Batra, Vivek Sandell, Vick Agarwal; Front row: Shobha S., Pragna Patel

Most of the activities of the India Association are meant for its members, but are open to the campus community at large and are usually attended by people from other countries as well as Americans. These activities include picnics and Indian movies. Two of our major events, the Diwali function and Holi function are attended by a large number of persons from all over Rolla, students and non-students. Diwali and Holi are two of India's major festivals and are celebrated with great enthusiasm all over India.

The functions in Rolla feature songs and cultural dances from India and provide the visitors an opportunity to enjoy the Indian delicacies served for dinner. All these events are advertised on campus and all those interested in finding out more about India and its people are welcome to attend them.

The Newman Center is the Catholic Student Center on campus. Activities that occur throughout the year fall into three categories: spiritual, social, and service. Many of the Newman Center activities are centered around spiritual events. Every Wednesday night we gather for Wednesday night mass at 9:00 in the living room. A retreat is held once a semester for prayer and relaxation. Many other programs scheduled throughout the year, such as the Lenten Program, offer good times and chances to cleanse hearts and minds. Service is also an important aspect of Newman. This year Newman held its annual

woodcut, painted a Christmas sign for the Hospice Center in Rolla, decorated the Rolla Manor for Christmas, helped at the Special Olympics, and sponsored a Pancake Breakfast and Chili Supper. The Newman Center also offers chances to meet new people through its many social events such as bowling, rollerskating, backyard volleyball and barbeques, float trips, movie nights, and theme parties. The Newman Center welcomes Catholics and non-Catholics, be it for spiritual, social or service-oriented reasons. Just stop by and say hi.

Society of Manufacturing Engineers

Society of Manufacturing Engineers members: Back row: Connie Jensen, Micheal O'Brian, Murat Tiryakioglu, Kevin Wall, Seth Burget; Front row: Ozgur Polat, Stephanie Ruehling, Shelley Kellar, Brian Gulladge

The Society of Manufacturing Engineers (SME) is a diverse and well established organization nationally. SME celebrated its 60th anniversary this past year as one of the largest engineering societies in the country. Our student chapter is a small group (30-40 students) that is making a strong effort to be a first class organization. We strive to be professionals and are seeking a new

level of professionalism. One way we achieve this goal is by giving the Certified Manufacturing Technologists Exam; this is the Manufacturing Engineers' "EIT". Yet another way our chapter is achieving this goal is by establishing and organizing the first campus wide National Engineers Week presentation. This Program now includes many other organizations, and we hope it will become an annual event. Other very important projects include the development of two new student chapters. The Missouri Society of Professional Engineers and the Society of Plastics Engineers

are both being coordinated by SME student members. The Society of Manufacturing Engineers includes mechanical, electrical, industrial, and engineering management personnel. This society welcomes many other disciplines such as metallurgical and chemical engineers as well. Most disciplines of engineering are involved in some sort of manufacturing process and could benefit from an organization such as ours. Our student chapter welcomes all disciplines that are interested in becoming involved on campus.

Spelunkers Club

Spelunkers Club members: Back row: Steve Bonham (publicity); 3rd row: Roland Kilcher (secretary/treasurer), Diane Schwalje; 2nd row: Bart Potts, Michael Gawedzinski, Randall Slead (vice-president), Rob Tayloe (president), Matt Payton; Front row: Simon Broomhead (rescue director)

The Missouri School of Mines Spelunkers Club is the oldest organized cave exploring club in the state of Missouri. The Spelunkers Club has been promoting caving since the 1930's. The purposes of

the Spelunkers Club are to bring people together who have an interest in the exploration, geology, surveying, photography, etc. of caves and cave life; promote and teach safe caving and rope-work techniques; and inform people of cave conservation and preservation. Any interest from just enjoying a cave for "esthetics" to mapping and rescue are offered to the Spelunkers Club members. Files of the Spelunkers Club are available to those interested in the history of

caving in the area and in the state. Guest speakers, spelunking workshops, and slide shows are presented throughout the year. Several times a year the Spelunkers Club has outings to other states, on float streams, and other regional activities to visit karst areas in other locations. Caving equipment is available to Spelunkers Club members who are in good standing. Meetings are held every Wednesday during the school year at 6:00 p.m. in McNutt 204.

Student Council

Student Council members:

1992-1993 Officers:

Jennifer McGee, president
Laura Ledgerwood, V.P. of Internal Affairs
Ben Steltenpohl, treasurer
Scott Palmtag, V.P. of External Affairs
Brad Flauaus, recorder

STUCO Representatives and Chairs:

These members and chairs have contributed their talent and time to the issues concerning students on campus. There is an endless opportunity for students to become actively involved in Student Council and making their voice heard. The Student Council Office is located at 202 UCW and new members are welcome.

Student Council is the official governing body for students on the UMR campus. It provides an excellent opportunity for you to be involved and play a major role in the philosophy, policies and operation of the university. Student Council offers the opportunity for leadership and communication skill development to students involved and interested in student representative government.

Student Council is the students' voice at UMR. The purpose of Student Council is to represent the

interests of the student body in student, university and government affairs. It is Student Council's objective to voice student opinions to university administrators on issues relating campus life and services students provide. Student Council also plays an active role in the coordination and regulation of student activities and funds based on the interests of the student body. In addition, Student Council strives to maintain a positive relationship between the student body and the local community.

Table Tennis Club

Advisor: Dr. D.C. Look

The UMR Tae Kwon Do Club is a non-varsity sport team whose aim is to instruct any interested students, faculty or their families in the Korean martial art of Tae kwon

do. The club conducts regular practices four nights a week. In the 1992-93 year the club competed in many regional and National Tae kwon do tournaments. Andrew McCullough competed in the U.S. National Collegiate Championships in Berkley California and the U.S. mens national Tae kwon do championships. Several club members competed in the Missouri State Tae kwon do championships and the Missouri Junior TKD championships. The club also fought in five other regional tournaments and did well in all of these.

This has been a year of new and

exciting developments for UMR's volleyball club. This year for the first time the volleyball club was granted non-varsity status by the University, allowing the club to take part in more tournaments and send more members to competition. This was also the first year UMR has fielded a women's team. The men's A-team attended 4 USVBA sponsored tournaments. Showing a respectable third place finish in one, they played well all year, improving as the year passed, showing that hard work does pay off. The men's B-team showed a lot of potential, they also showed the depth of the club's players as well as serving as a support to the A-teams player pool. The B-team only participated

in two tournaments but they made their presence known by making it to play-offs in their second tournament. The women's team made it to three tournaments. While the record may not show stellar performances the women definitely grew as a team and as individual players. There will definitely be cause to watch for them, due to their many returning players next fall. All in all the season was a growing and learning experience for all involved. After losing only a few members to graduation, the teams should be even stronger next year. If this sounds like fun to you we are always looking for new players whether for fun or competition.

Water Polo Club

Water Polo Club members: Back row: Keith Thompson, Alex Kombokis, Rob Hagan, Ed Midden, Chris Barnett, Mark Cresswell; Front row: John Falkenrath, Kurt Steinmann, Paul Baudendistel, Doug Cordier, Mark Munoz; Not pictured: Peter Baumstark, Travis McGee, Keith Pimmel, Derek Olander, Marlin Jiranek, Brian Klein, Jay Meyers, David Cadoff, Jason Schnepf, Mike Belrose, Darko Milankovich; Advisor: Mark Mullin

The Water Polo Club was proud to be one of UMR's winning teams this year. The team was 9-2 after going 3-3 last year. After losing many key members over the years, the strength of UMR water polo has waned. This year, however, the club managed to grow phenomenally in strength and skill. Sweeping their home tournament in the fall,

the Water Polo Club managed to start the season off well. Among the Miner's victims were Southern Illinois University and Indiana University. The highlight of this tournament was a close match-up between the Miners and the University of Illinois. In the final seconds of the game, Chris Barnett drilled in a tie-breaking goal, bringing the Miners a 10-9 victory over U of I. Next, the Miners found themselves at Southern Illinois University. There the SIU salukis managed to serve the Miners their first defeat. Undaunted, UMR went on victorious against Miami of Ohio, Vanderbilt and a questionable SIU-B team. One star member to whom the Water Polo Club owes

much of its success is Kurt Steinmann. Kurt was a driving force in the Water Polo Club's offense and defense. When asked about his first year with UMR Water Polo, Steinmann seemed disgruntled with the many "tough breaks", but did note that the Water Polo Club still managed to have a successful season. One element which empowered the Miners this year was the instruction and guidance of president Paul Baudendistel. Thanks to Paul, all the polo club members, and the support of UMR the Water Polo Club has become the driving athletic force that it is today. As Baudendistel puts it, "Water polo is to UMR what sugar is to Frosted Flakes."

UMR's annual St. Pat's Celebration was quite a celebration this year. There were the traditional festivities and contests. As the celebration got underway, it was clear that this year was going to be "*The Best Ever*." Among the activities were the Greenest Person, the leprechaun look-alike contest, and the Women's Walking Stick competitions.

The musical entertainment for this year's St. Pat's was especially good. During Gonzo, the up-and-coming Saturn Cats played for the crowd. At St. Pat's Games the music was pumped out by Lunacy. To close out the week, Firehouse rocked the Multi-Purpose Building with their own special brand of rock-&-roll. St. Pat and his Court were as follows:

Photographer's Best

[Editor's Note: On the following pages are photographs that the Rollamo's photographer's felt like were their "best" work. Keep in mind, we have some pretty crafty photographers. Much of what you see has been created using photography magic. With the advent of scanners, computers, and desktop publishing, many more exotic "tricks" can be done to photos. As a result, things may not always be what they seem.]

The Rollamo

Top Right: Photo Editor James Anderson poses with his favorite character.

Middle Right: Michael Venegoni pushes the button on his favorite possession.

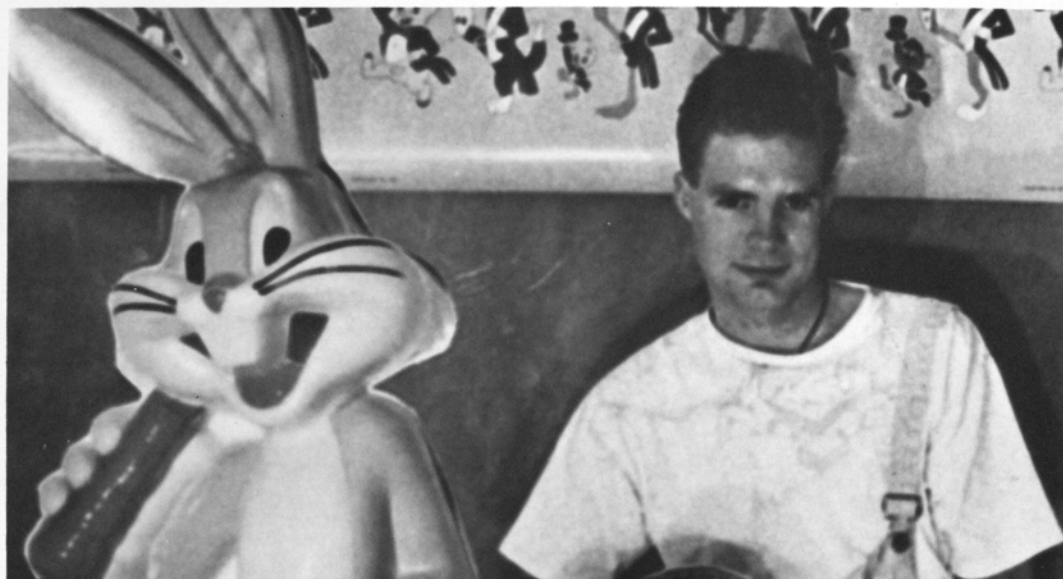

Bottom Right: Rod Aburto demonstrates his creative power with an interesting self-portrait.

Facing Page, Top Left: Photographer Doug Sobery.

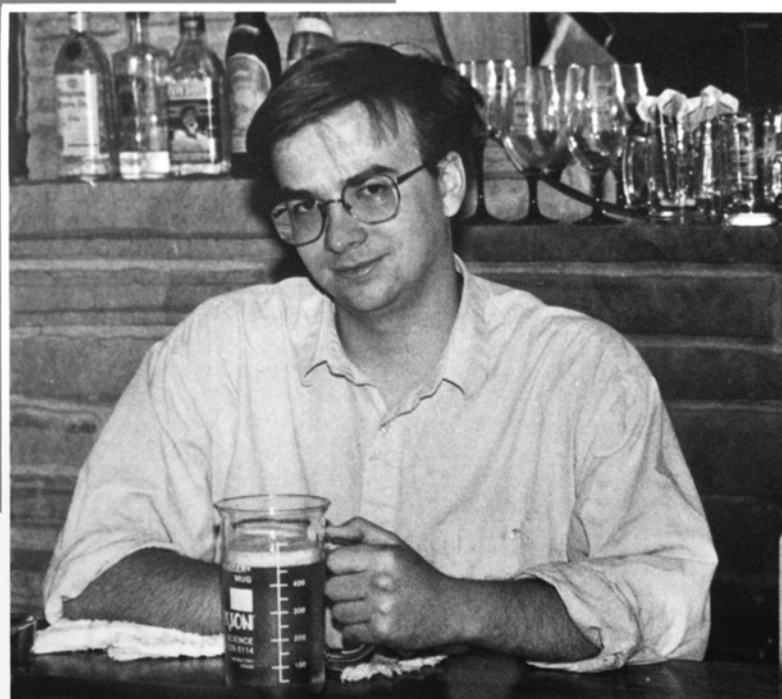

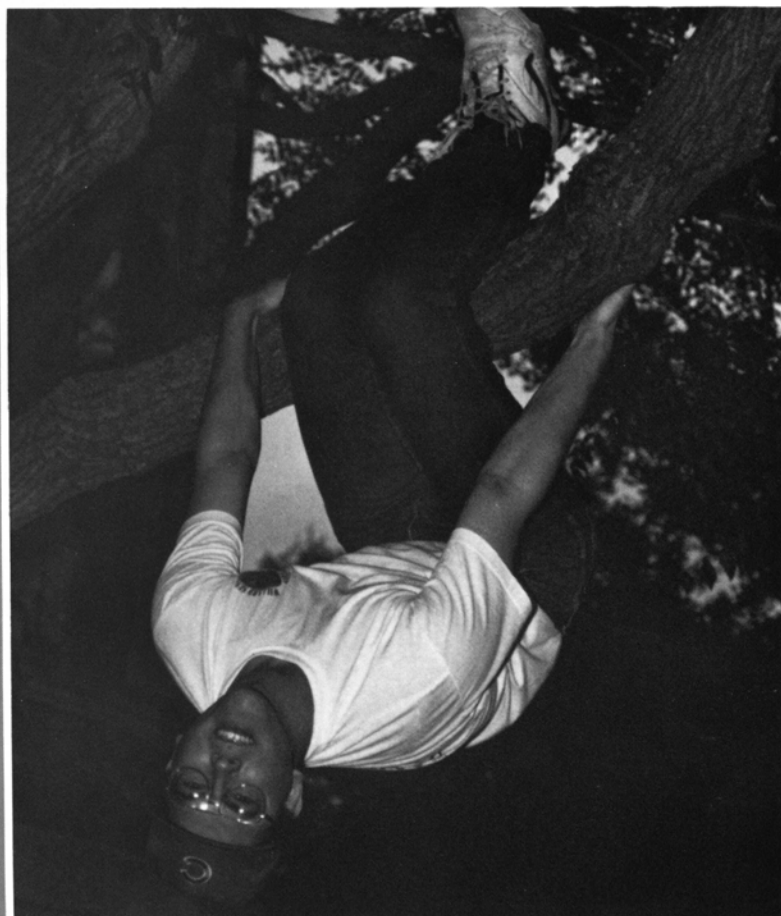

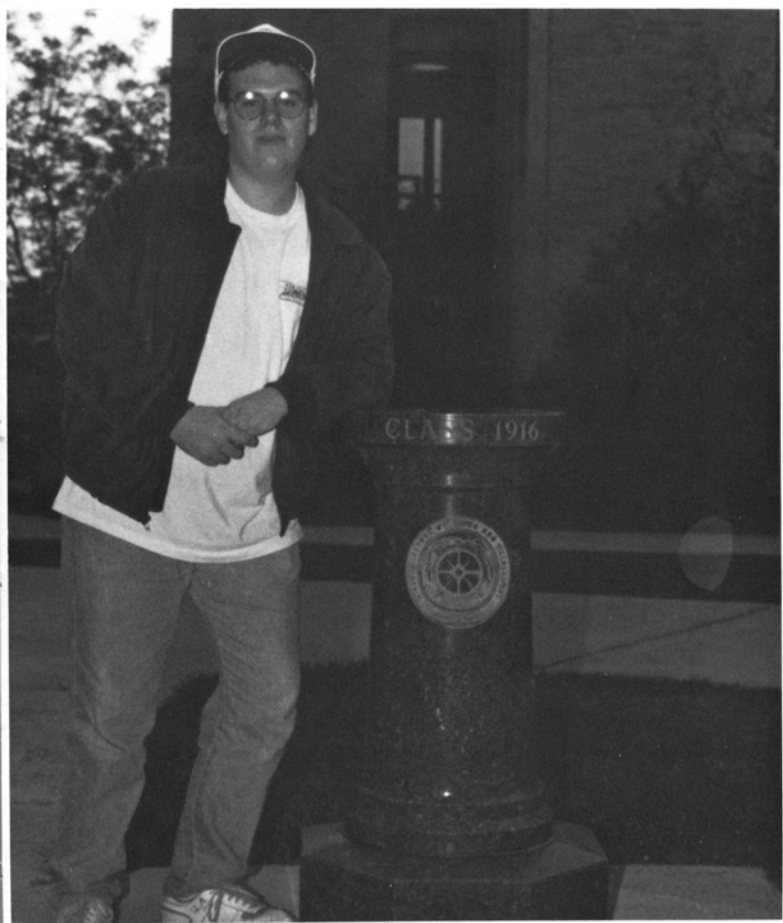

Facing Page, Bottom Left: T. J. Houchin appears to have lost his mind somewhere in Rolla.

Facing Page, Top Right: Jason Hansen hangs precariously from a tree.

Facing Page, Bottom Right: Jason Meriwether sits at his favorite place in Rolla.

Editor's Note:

Well, another issue is finally finished. I think the question of the century should be "What will it take to get the Rollamo staff to finish the book 24 hours before the final deadline?" Anyway, it's done! I think this is one of the best issues ever done. It's certainly the best one I've ever worked on which I think is a reflection on the quality of this year's staff. I need to give my thanks to the following people:

Rollamo Photographers: I know sometimes I was a little rough on you guys, but really, I appreciate all the hard work you do. I could never spend the kind of time you do in the darkroom with all the smelly chemicals. Thank you very much. The yearbook would be pretty boring without your contributions.

Rollamo Staff: Wow! We finally did it. Despite our differences and ever changing staff situation we managed to do an excellent job. I am impressed, especially with the ability of some of you to master PageMaker in a week. I look forward to working with you next year.

UMR students: I hope you enjoyed this issue of the Rollamo. After all, you're the ones who make it possible by contributing your dollars. If any of you want to explore the creative side of engineering, come join us in the adventure. There really is quite a bit of "engineering" in the Rollamo.

Carol Molchan: Thanks for helping me out with the financial issues while Lance was on leave. I could have never done it without you.

Lance: What can I say? Knowing you has been one of the highlights of my college career. You were always there to act as my sounding board for some of those crazy ideas I came up with. But, most of all, you stood by me and gave me that little extra encouragement when I needed it. In a word, thanks.

Oh, yeah, just in case:

All copyrights and registered trademarks remain the property of their respective owners.

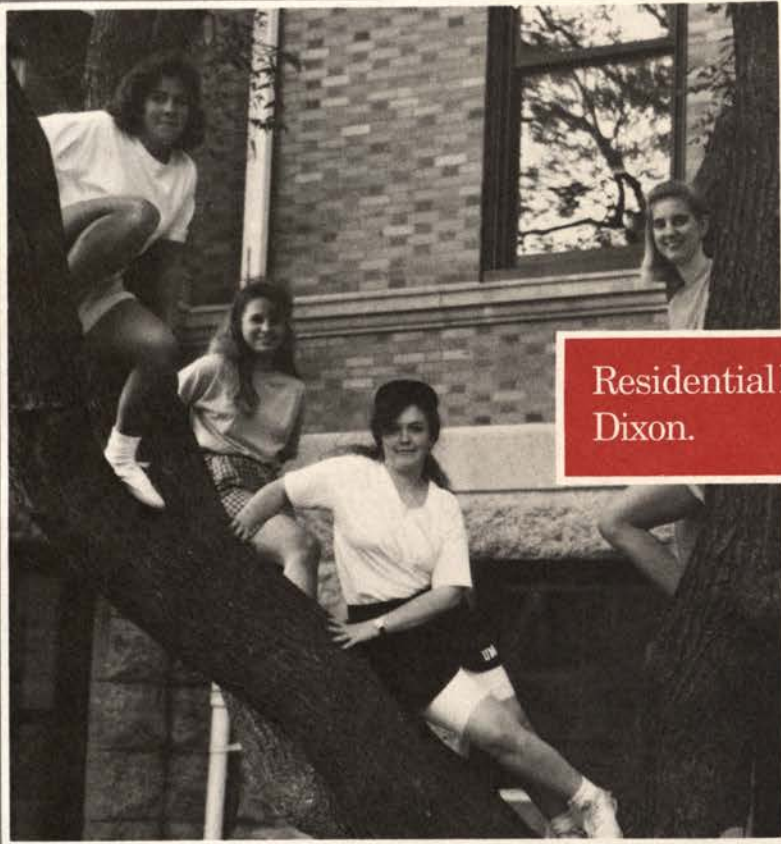

Colophon

The 1993 Rollamo was printed by Jostens Yearbook Productions Group on a Lintronic typesetter. Captions are set in 10 point New Century Schoolbook. Body Copy is set in 12 point New Century Schoolbook. Headlines are set in Monotype Arial, Caslon Open Face, Franklin Gothic Condensed, Helvetica, and Symbol.

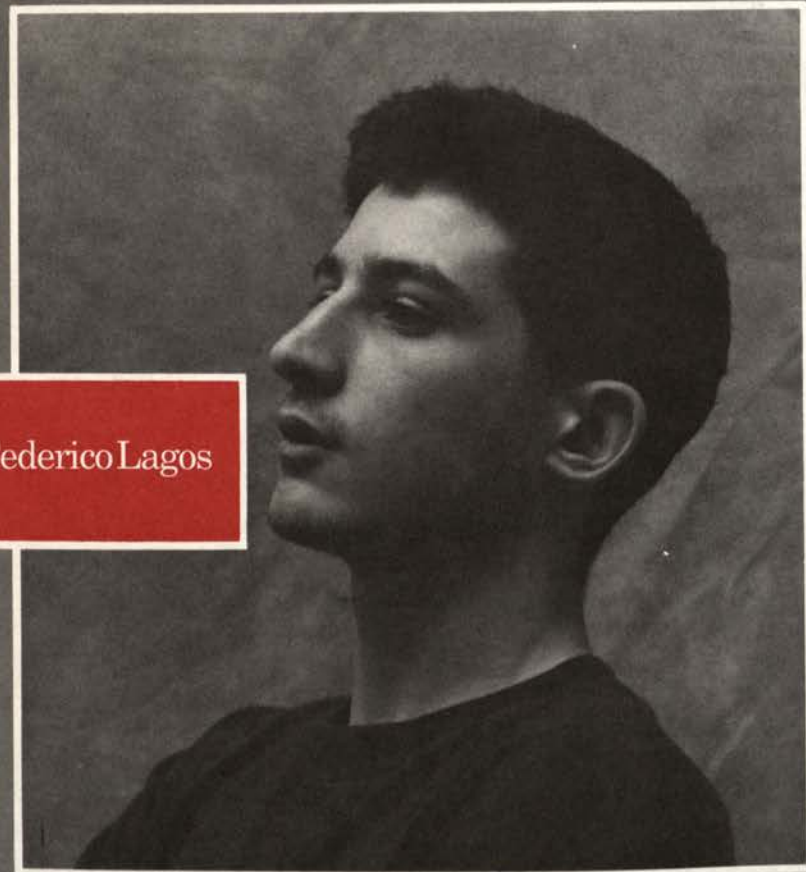

The Rollamo is produced by University of Missouri-Rolla students using an IBM-compatible based desktop publishing platform. Layouts are designed using Jostens' templates in Aldus PageMaker 4.0®. Clip art is generated by Aldus Freehand 3.1®. Layouts are submitted to the plant on floppy disks and accompanied by 75% scale spot-color laserprints of the layout which are printed using a Hewlett-Packard LaserJet III® with an Adobe Postscript Level 2® cartridge.
